

Weather Stone Baby Dedication

Our next Baby Dedication is Sunday, July 15th, 2018 during the 10:45am service. Please complete and return the 'Baby Dedication Application' portion of this packet by Monday, July 9th, 2018.

There are three ways of doing this:

- Drop it off at the WeatherStone Church office.
- Drop it off at the 'Connection Center.'
- Scan and email it to Info@WeatherStoneChurch.org.

Dedication Instructions

1. Please arrive no later than 10:30am and check in at the 'Connection Center' located in the main lobby. At this time, you will meet your assigned Elder.
2. During the ceremony, each family will come forward with the mother holding the baby until the time of dedication. The family is introduced to the church (baby, parents, and siblings if applicable) by the presiding Pastor.
3. The Pastor will say a few words about the meaning and importance of baby dedication.
4. The mother gives the baby to the father during the dedication vows. This symbolizes that the father is the spiritual head of the family.
5. The Pastor will lead the parents in the dedication vow and then lead the congregation in making a vow to assist the parents and child. After the vows, the father hands the baby to the assigned Elder for the prayer of dedication.
6. After the prayer of dedication, the Pastor will release the families to their seats.

Questions?

Contact the WeatherStone Church office at (262) 754-1122 or info@weatherstonechurch.org with any questions or concerns.
