Song: [Holy Holy Holy](#) Hal Filiar-Aguilera and Aaron Altemose

Opening Prayer : by Steve Garnaas-Holmes*

There's a dip in the stone step
in the threshold of the old cathedral,
worn where thousands of pilgrims have stepped
as they entered the darkness to pray.

Even in the old country church
the railing is rubbed bare
where the faithful have grasped,
have leaned, have hoped.

There is a worn spot
at the threshold of your heart
where God has entered the silence
over and over, to pray and gaze at your altar.

You don't have to hear the words.
You don't have to understand.
Just step on the threshold,
touch the railing, and you know. Amen.

Prayer:

We thank you, O God, for calling us into your church to be your people in heart, mind and soul. We have gathered from near and far in this time of worship, because God of grace and wisdom, we have heard your call. For some of us it is a shout out that calls us forth and for others, a still small voice beckons us faithfully. You have reached out to us in Jesus Christ, you have touched us with your Spirit; and we have turned toward you, seeking to love as we have been loved. Empower us to worship and to walk gently on this earth with one another. Amen

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name.
Thy kingdom come, thy will be done on earth, as it is in heaven.
Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil, for thine is the kingdom, and the power, and the glory forever. Amen.
