President Wetzler welcomed everyone to the meeting.

## **notMYkid**

Ms. Polin attended the meeting and provided a brief educational session about the notMYkid program. She spent some time educating parents on the dangers our children are facing with substance abuse issues that begin on the social media platform. Parents are encouraged to consider attending a workshop for families and students to provide the necessary tools to combat these dangers. Visit [workshopsaz.org](http://workshopsaz.org) for more information.

## **Principle Update**

Principal Slover was unable to attend the meeting.

## **Assistant Principle Updates**

Mr. Patzlaff spent some time discussing with the parents the recent fourth grade field trip where two classes attended but the other two did not. Many parents were disappointed with this decision and Mr. Patzlaff stated that he would take that feedback to Ms. Slover and the fourth grade teachers to ensure guidelines are put in place so this does not happen in the future.
