---------------------	-----------------------	------------------

What Is Double Run Format?

This trial uses the NADAC Double Run. Any class with two rounds on the same day will be run on the same course. There will be one walk-through before round 1. There will be no walk-through for round 2. Round 2 starts immediately after round 1 is completed. In order to accommodate volunteering, we may allow a handler to run both his/her runs during either round 1 or round 2.

Intro Level

"Intro" is a level for the classes, just like Novice, Open and Elite. So now there are four levels to each class: Intro, Novice, Open and Elite. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points and Superior Performance at 100 points for Chances, Jumpers, Tunnelers, Weavers, Hoopers, Touch N Go, and Barrelers. For Regular the basic title is at 30 points, Outstanding Performance is at 100 points and Superior Performance is at 200 points. Note that the Intro level is entirely optional. There is no requirement that a dog must start at the intro level. Dogs must be 18 months old and all other NADAC rules apply to entries.

Facility, Ring and Equipment

The trial will be held indoors. Ring size is 85' wide by 120' long with a dirt surface. All obstacles used are according to NADAC rules, including rubber matted contacts. Electronic timing will be used.

Trial Information package – after closing.

Final trial information and tentative judging schedule will be sent with final confirmation and be available on the CCC web site at <http://www.chaotick9s.com> 3 days prior to the trial.

Levels, Categories & Divisions:

Levels are Intro, Novice, Open and Elite and a dog may be in different levels throughout the trial.

Categories are Proficient and Skilled and the dog must run in one category *only* for the duration of the trial. All dogs running under Skilled, Veteran, or Veteran/Junior Handler **MUST** jump 4" lower than their Proficient height.

Divisions are Standard, Veteran Dog, Veteran Handler or Junior Handler. Veteran/Disabled Handlers may not enter particular classes or a particular dog using the Veteran/Disabled handler status while entering a different dog or different classes in the other divisions. Proficient now allows 5 point Qs.

Dogs must enter the Veterans Division after their 9th birthday. Dogs must enter the Skilled Category, Veterans Division after their 12th birthday. Dogs in this division are given the allocated Veterans course times.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the Chuckanut Chaotic Canines. The individual trial results submitted by CCC are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the CCC, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the Trial Secretary for Chuckanut Chaotic Canines. CCC is responsible for correcting any errors and informing NADAC.

Entry Rules: We will accept entries until the limit or the Closing Date is reached. Should the trial fill before the closing date, a waiting list will be started based on **first received basis** for entries. CCC has the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

Day of show (DoS) entries may be taken if space is available. **Day-of registration must be done prior to the course being built.** Price of DoS entries will be \$12 per added run for all runs. Package prices do not apply.

Entries and payments should be sent to: Marian Snapp, 2620 Shepardson St., Bellingham, WA 98226
Make checks payable to: Chuckanut Chaotic Canines (CCC).

Confirmations: These will be sent via email. If you do not have email, your confirmation will be sent via USPS mail. **If you have not received a confirmation by May 9th, 2018, contact Trial Secretary, Marian Snapp, immediately.**

Jump Heights: Dogs entered in the Intro class may jump at any height requested by the owner regardless of dog's actual height. Dogs that have passed their 9th birthday must be entered in the Veterans Division in all jumping classes. Dogs that have passed their 12th birthday must be entered in the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes. **Breed exemptions have changed. Please check the new regulations.**

Jump Heights:		Jump Height	Dog's Height			
			11" &	14" &	18" &	Over 18"
Standard	Proficient:	Jump Height	8"	12"	16"	20"
	Skilled:		4"	8"	12"	16"
Vets / JHs	Proficient:		4"	8"	12"	16"
	Skilled:		4"	4"	8"	12"

Non-Jumping Classes-Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the **non-jumping classes only** and is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter **all** dogs in **all** classes for the entire trial in this Division and the dog **must jump 4" lower** than its Proficient, Standard Division jump height. In the non-jumping classes, dogs will be scored and placed with its Standard Division jump height.

Move-ups: Move-ups for Friday or Saturday of the trial must be submitted to the trial secretary in writing (e-mail acceptable) no later than Tuesday, May 8th, 2018 at 6 p.m. **DAY-TO-DAY MOVE-UPS WILL BE ALLOWED AT THIS TRIAL.** Move ups must be submitted by the end of the trial day for the next day.

Refunds: Requests for withdrawals prior to the closing date will receive a full refund. Handlers with medical emergencies providing a doctor's note or having an injured dog or bitch in heat, with veterinarian's documentation & excusal, may cancel 24 hours prior to the start of the weekend and receive a refund less \$10/day. No refunds will be issued for less than \$10.00. There will be no refunds for entries withdrawn after the closing date (other than just stated) or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal, including, but not limited to, aggressive dogs.

Trial Days

Check-In: Check-in will be available at 4:30 p.m. on Friday evening and 7:30 a.m. on Saturday & Sunday.

Crating: There is plenty of space in the building for crating. This is a covered and enclosed area. NO set-up is allowed before 3 p.m. on Friday afternoon.

Start Times: First dog on the line at 5:30 p.m. on Friday, and 8:30 a.m. on Saturday and Sunday. SUBJECT TO CHANGE!

Briefings, both general and Judge's briefing, begin 20 minutes before competition starts for the day:

Friday - 5:10 p.m., Saturday and Sunday – 8:10 a.m.

Measuring will occur before the briefing.

Availability of Food: There will be food available for volunteers at the site. Restaurants and fast food outlets are about 15 minutes away. Breakfast munchies will be available by donation and lunch is available free to volunteers and "by donation" to non-volunteers, after the volunteers have eaten. Otherwise you will need to bring your own food. There will be lots of opportunity for you to volunteer since we are running only one ring at a time. 😊

Warm-up area: A warm-up area consisting of a jump, hoop and set of weaves will be available to all exhibitors. Obstacles may not be taken in sequence.

Running Order: Before each class, a running order will be posted at the gate. When compiling the running order, we do our best to separate handlers running multiple dogs. Since this is a one ring trial, there will be no ring conflicts. Our goal is to keep running order changes to a minimum.

Nadac Treats Rule: NADAC allows handler to carry treats or a small toy during a run if the treats/toy are secured in a sealed container that is not visible to the dog, the judge or other exhibitors. The toy/treats must remain secured and concealed while within 10 feet of the ring.

Containerized Trial : All food and toys must be contained at the trial and none left lying about loose. This includes crating areas. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs rushing with their handlers back to their reward, and to lessen the amount of insects around loose food.

Awards: Ribbons will be awarded for first through fourth place in all jump heights of all divisions with the exception of Chances which is pass/fail with no placement ribbons being awarded. Qualifying ribbons will be awarded for qualifying runs. **IF you are close to achieving the NATCH or V-NATCH for your dog, please let the trial secretary know so that arrangements can be made for ribbons and other suitable celebrations!**

Measuring: Dogs to be measured:

All dogs in the Proficient Category, Novice, Open or Elite, jumping 4", 8", 12" or 16" (without permanent height card).

Dogs that do NOT need to be measured:

Dogs jumping 20".

Dogs jumping 16" in the Veteran or Junior Handler Division

Dogs in the Skilled Category

Dogs listed on the Height Exemption list (**check new regulations**)

An Application for a Permanent Height Card can be downloaded from the NADAC site by going to this URL: <http://www.nadac.com/forms/Application-for-Permanent-Height-Card.htm>. Have the judge sign it when you get your dog measured and then send it in when you have all the signatures needed.

Description of Classes and Exhibitor Handbooks: To gain a full description of each of the classes you may obtain an Exhibitors Handbook, available for downloading, free of charge at www.NADAC.com/docs/Rules_for_NADAC_trials.htm. Current Jump Height Tables, Breed Exemption List, description of classes, levels, divisions and categories are included in the current Exhibitors Handbook.
