Disclosure Declaration

It is the policy of Creative Educational Concepts, LLC, (CEC) to ensure independence, balance, objectivity, and scientific rigor and integrity in all their CME/CE activities. Activity planners, faculty, peer reviewers, and CEC staff must disclose to the participants any relationships with ineligible entities whose products or devices may be mentioned in this CE activity, or with the commercial supporter of this CE activity. An ineligible entity is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.

Financial relationships may include research grants, consultant fees, travel, advisory boards, consultancy, speakers' bureaus, other benefits, or having a self-managed equity interest in a company.

CEC has evaluated, identified, and mitigated any potential conflicts of interest through a rigorous content validation procedure, use of evidence-based data/research, and a multidisciplinary peer review process. The following information is for participant information

only. It is not assumed that these relationships will have a negative impact on the presentations.

Planner/Faculty:

Sandra Kurtin, PhD, ANP-C, AOCN—has disclosed that she is an advisor or consultant to Abbvie, Agios, Amgen, Astra Zeneca, Bristol Myers Squibb, Incyte, and Takeda.

Peer Reviewer:

Stacy Muddiman, BSN, RN, OCN—has no relevant financial relationships to disclose in relation to the content of this activity

CEC Staff:

Katherine Lee, PharmD—has no relevant financial relationships to disclose in relation to the content of this activity.

Jessica Hall—has no relevant financial relationships to disclose in relation to the content of this activity..

Faculty of this CME/CE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices. CEC, the faculty, and any

commercial supporter of this activity do not endorse the use of any product outside of the FDA labeled indications. Medical professionals should not utilize the procedures, products, or diagnosis techniques discussed during this activity without evaluation of their patient for contraindications or dangers of use.

Obtaining Credit

Post-tests, credit request forms, and activity evaluations must be completed online (requires free account activation), and participants can print their certificate or statement of credit immediately (75% pass rate required). This website supports all browsers except Internet Explorer for Mac. For complete technical requirements and privacy policy, visit our **Privacy & Confidentiality page**.
