

JOHN REID
MINISTER OF THE SOUTH CHURCH
20 CHESTNUT STREET
PEABODY, MASSACHUSETTS

September 26, 1924

Prof. Caleb Lawrence
Melrose, Mass.

My dear Prof. Lawrence:-

We are greatly delighted
with the verses in this week's Congregationalist.
They are full of just the sentiment I would like
the Shoals to be known for. I hope that you will
let us use them on some of our circulars.

It was a great delight to have
Mrs. Lawrence and yourself with us this year and
I hope that it may be possible to have you come
again some other year.

Thank you much for the pleasure
you have given us

Cordially yours

A handwritten signature in dark ink, reading "John Reid". The signature is written in a cursive style with a long, sweeping horizontal line extending to the right.
