

BIGFORK MEMBER INFORMATION SHEET

The Bigfork Gun Club, originally called the Bigfork Rod and Gun Club, was formed in 1988 by a handful of sportsman with big visions. Over the years this Club has grown in numbers as well as in the developed ranges with safety standards set to achieve a safe environment for all shooters from novice to the expert.

The bulk of the work has always been shouldered by volunteers. Some years there are ample folks to carry the load, some years not so many. The burden of up keep and the willingness to serve on the Board to maintain the clubs forward momentum has been dwindling the past few years.

If you would like to show your support and help maintain your club and its activities we ask you to fill in the applicable areas of interest below:

Note: Volunteer hours are recorded and an annual membership is issued the following year, once minimum hours have been worked. Volunteers must be asked to help with projects.
