Father Kramer Newsletter

July 2019

From the Grand Knight

Vivat Jesus

Dear Brother Knights and Families:

It is an honor to be elected as your Grand Knight for this coming year. I will try to uphold the office to the best of my ability. Congratulations to the newly elected officers, I am looking forward to working with all of you.

Our annual Council picnic was held on June 2nd, we had a great turn out. I hope that everyone enjoyed themselves. A big thank you to everyone who helped with the set-up and tear down. Also, Thank you Father Dennis for saying mass. The picnic would not have been a success without all your help.

Sunday, July 21st is our annual Steak Out Dinner. Due to higher costs, the price has gone up one dollar to \$16.00 per person. The dinner will consist of steak (which you cook yourself), baked potato, salad, and dessert. I hope you will join us for a great time. Please note that **reservations are a must. We will not be selling tickets at the door.** To keep costs down, we only order enough steaks for tickets sold. Please call the office or stop by purchase or reserve your tickets.

Fraternally Yours,

James Reid
Grand Knight

From the Financial Secretary

Robert Clubb, Financial Secretary

Are your Fraternal records up to date? It is easy to forget that your council needs to know when you move, when you change phone numbers, or email addresses. How else can we get in touch with you, or let you know of upcoming events?

It is also important that your spouse or next of kin notify the council of your passing in a timely manner. As a Knight you can request a Rosary by your Brother Knights, but it takes time to notify our membership of your passing, as well as where and when the Rosary is to take place. There is also the presentation of a letter of condolence and a perpetual Mass card in your name presented to your spouse or next of kin. In addition, in November there is a memorial Mass for all of our Brother Knights who have passed away in the past year.

So please, stay in touch with us.

A priest was asked by a newly engaged couple, "Father, what is love?" The priest stood up and told the couple, "Follow me." They entered the church, and he led them up to the crucifix, and pointed to it saying, "This is love." He went on to say, "Jesus endured all the pain and humiliation as he was nailed to the cross. He died on the cross for each and every one of us. There is no greater love than this."

Take Some Time To Reflect

At the end of the Officer's meeting, there is a round table, in which each officer has an opportunity to say what is on their mind. Most often you hear them say "Proud to be a Knight." You hear this from others at the general membership meetings as well. Perhaps it is time for each and every one of us to reflect on this: Are you proud to be a Knight? What made you want to join the Knights of Columbus? If you are not involved, what happened? Do you still have that sense of pride and sense of belonging when you first became a Knight? Why do you not come to the meetings or any events?

There are those who would attend, but cannot do so for a number of reasons: their health, they no longer have a way to get to the meetings, or they have moved too far away to be able to attend. There are others who cannot attend because of work, family, or other obligations that make it impossible to attend. In today's busy life, it is really hard to take the time to go to a meeting or work at an event. To these individuals, we understand and appreciate their desire to be with their fellow Knights.

But there are those Knights who choose not to be involved. And it is this group to whom this is addressed. If you do not attend because you do not want to take the time or effort to do so, perhaps you should make it a point to go to at least one meeting to find out what is going on and to see the fellowship between those who do attend. If you are upset about something or someone at the council, as Catholic gentlemen, we are expected to forgive others. It is a part of our faith. If you do not like what is (or is not) going on, the only way to change it is to get involved. Attending a meeting is your way to introduce new ideas, and get others to join together to make a change.

A Little Humor

An 82 year old man went to the doctor to get a physical. A few days later, the doctors saw him walking down the street with a gorgeous young woman on his arm. Later, at his recheck appointment, the doctor said that he saw him and remarked "You are really doing great aren't you? He replied, " I am just doing what you said: Get a hot mama and be cheerful!" The doctor frowned, and said "I did not say that—I said you have a heart murmur; be careful!"

Did You Know?

Scott Memorial Fountain on Belle Isle was built in 1924 at a cost of \$500,000. It opened in May of 1925 with cowboy movie star, Tom Mix, turning on the water for the first time!

This Detroit treasure has flowed for years as the backdrop for many photos of families, wedding parties and other joyous occasions. Lord knows how many people tested the fountain's waters due to a dare or from liquid courage.

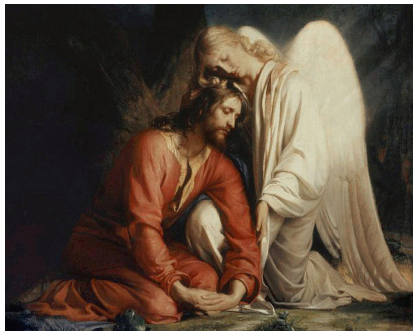

The fountain was named after James Scott, who never held a political office or accomplished any major service to the city. In fact, Scott had inherited his money & was scorned by many. He owned land on Grand River and chased off any trespassers. In the bars he frequented, he was often crass, loud and at times profane. In his will he bequeathed a sizable sum of money for a fountain on Belle Isle with the condition that a statue of himself be built nearby. Because the man was so disliked, it took years for the city fathers to make it happen. Scott finally got his fountain long after he died in 1910!
