All signs are green metal, pre-drilled in all four corners for easy mounting. Numbers are white. Signs can be mounted to a post, fence, tree or house, preferably visible from the street. County code requires the numbers be at least 4" high and signs must be a minimum of four feet above ground. Reflective signs can be picked up at a predetermined location or mailed (for an additional fee). All proceeds from the sale of these signs go directly to EMS and Eastern Alpine Fire & Rescure Department.

THIS VISIBLE ADDRESS SIGN COULD SAVE YOUR LIFE. IT IS IN YOUR BEST INTEREST TO CLEARLY DISPLAY YOUR REFLECTIVE ADDRESS SIGN.

THANK YOU FOR YOUR SUPPORT.
