### New Proposal:

Donna Terrio introduced a new way to elect the Member of the Year. Donna will have a ballot box and at the meetings throughout the year when you see someone doing something great put their name in the box. This way the shy people in the background have a chance to be recognized for their contributions!

## August Meeting Highlights

The August 14, 2013 meeting was called to order by newly appointed president, Carole Martinez. The committee shared their reports. Club librarian reminded members to bring books for the book auction. A fascinating program was presented on barware. This was followed by the show 'n tell which members presented favorite pieces found at thrift stores. The meeting ended with a poem from Diane Cook to celebrate August's birthdays.

## Book Auction

The Book Auction will take place at the November CCDGS meeting, November 13.

Books are still being accepted for the auction and remember it doesn't have to be books on just glass, collectible books are welcome too. Guests are welcome to take part in the auction. Be prepared to bid so we can help the club with this fund raiser in November!
