Second Quarter 2019 Updates
Board Members and Officers Seth Polen/President Eric Ortiz/Vice President Joseph Lepore/Treasurer Hank Shaffer/Secretary Jeff Eller Meyers
Marco LiMandri, Executive Director mentioned at the previous Board Meeting in December that in light of the limited Lincoln Heights Industrial Annual budget and the personnel turnover with New City Public Spaces. That we should consider private companies that can provide a truck, trash pick-up and personnel to paint out graffiti, sweep sidewalks and empty trash. We have not received any bid proposals.
The Board will be meeting in July to discuss the future of the BID. The BID will be expiring in 2020 and the Board must decide if they will renew the District. Under the Property Business Improvement District law, in order to renew the District we will need to receive over 50% percent in support. The Board will need to decide if they have funds to pay for the reformation of the District and if they have the property owner support.
