

North Street Mission – Planning Your Week

Updated 5/25/17

North Street Mission is located one block north & east of the square in downtown Wooster, Ohio. If you happen to be staying here on Sunday mornings, you are encouraged to join us for worship at 9:30 am.

Typical Workday Schedule – Groups must remain flexible during the week as we organize the week long schedule. Groups may work all five days or take a day off for fun activities. Below is an example of the typical workday:

7:30 – 10:00 - Work in the Trinity Breakfast program

10:00 – 11:00 - Pack lunch and prepare for the workday

11:00 – 5:00 – Work day with an hour lunch

5:00 – 7:00 – Dinner and educational opportunities

Work Opportunities: Each day will start out in our Trinity breakfast program. We have arrangements with a number of agencies in town to work at depending on the interest of the group.
