All artists may enter up to three entries in each category - fine arts and photography - for a total of no more than 6 entries. The 3 total photography entries may be split between "not digitally enhanced" and "digitally enhanced" photography.

Professional Division: If you regularly sell photography or earn publishing rights for your work, you must enter as a professional. If you enter as a professional in other shows/exhibits, enter as a professional here. Professional entry fees are **\$10.00** per entry or **3 entries for \$25.00.**

Adult Amateur Division: Anyone over high school age and not classified as a professional may submit work in the Adult Amateur division. Adult Amateur entry fees are **\$10.00** per entry or **3 entries for \$25.00**

Category: Professional, Amateur

Both color and black & white photos will be accepted.

1. Photography will be accepted in two divisions. These two divisions and the rules for each division are as follows:
 - a. "Not Digitally manipulated" - Not altered in any way or altered using **ONLY** techniques that emulate traditional darkroom and finishing techniques such as cropping, rotating and adjusting color balance and brightness, etc.
 - b. "Digitally manipulated" - Altered using software and/or plug-ins or other similar computer programs. Free use of any digital techniques to any degree may be entered in this category.
2. The size of the print(s) must be **no smaller than 8" X 10" and no larger than 16" x 20"**.
3. All prints must be **securely matted or mounted on mat board (FRAMES MADE BE USED, BUT ARE LIMITED TO SECTIONAL OR NARROW PHOTO FRAMES).** The total size (photo + matting + with or without frame) cannot exceed the maximum size of "16 x 20". Mounting tape maybe used to secure prints, however, double sided tape may not as it does not securely keep prints in place during the show.
4. Sometimes, humidity is a problem. The best mountings have been a double layer of mat board with photo on top, then framed with another mat over the edges of the picture. If you have something else that works, please share with us. Plastic protective sleeves are permitted, but make sure they are sealed tightly.
