2021 Catalog of Services:

- **Insurance Field Inspection** – standard local, moderate to extended distances (60 miles std. up to 250 mile extended radius from closest office location).
 - *Complete photo set: VIN, odometer, lic. plate, all vehicle sides and detail images of damage.*
 - *Specific photos if requested (i.e. vehicle registration, safety gear, loss scene).*
 - *Itemized repair estimate with MSRP parts, labor, accessories and sublet (agreed if possible).*
- **Photographs Only** – documentation for liability loss.
 - *Complete photo set: VIN, odometer, lic. plate, all vehicle sides and detail images of damage.*
 - *Specific photos if requested (i.e. vehicle registration, safety gear, loss scene).*
- **Service Contract Mechanical Field Inspection** – standard local, moderate to extended distances (60 miles std. up to 250 mile radius).
 - *Review of shop-presented documents, ascertaining loss contention, cause of failure & proper correction.*
 - *Photos of vehicle, VIN, odometer / hour meter, detailed images of failed & significant parts.*
 - *Relevant clearance measurements, out source lab oil analysis (if applicable).*
 - *Itemized repair estimate with MSRP parts, labor, accessories and sublet (agreed if possible).*
 - *VIN & OE campaign inquiry, social media query, competition & commercial query (if applicable).*
- **Second Opinion** – desk review of non-CMA inspections.
 - *Review of shop-presented documents, ascertaining loss contention, cause of failure & proper correction and case decision strength.*
 - *VIN & OE campaign inquiry, social media query, competition & commercial query (if applicable).*
- **Spot Check** - *Repair shop visit for specific data gathering purposes (i.e. wheel & tire inspection, repair order, service history, OEM service schedule procurement, pre paid maintenance verification).*
 - *Basic photos (if applicable).*
- **Accessories Audit**
 - *Full review of provided documents / photos & receipts, classifying & itemizing all visible aftermarket accessories. This is an excellent resource for the total loss department to accurately adjust loss per policy guidelines & limits.*

- **Actual Cash Value (ACV)**
 - Full review of provided documents, photos, receipts, book values & comps resulting in a solid ACV with adjustments for accessories, carrier limits, exclusions, guidelines & depreciation.
- **Small Claims Court Testimony**
 - Expert testimony relating to a Powersports specific mechanical cause & failure.
- **Loss Arbitration**
 - Prompt and efficient handling of an invoked Appraisal clause.
- **Software**
 - We offer Filemaker Pro platform-estimating templates, customized to your repair shop needs, for that Professional looking repair estimate.
