

Dear Valued Customer(s),

As you may have learned, on March 6th, 2019, The American Kitchen Cabinet Alliance filed an Antidumping Duty (AD) (Sales at less than fair value) and Countervailing Duty (CVD) (Subsidy) petitions with the U.S International Trade Commission (ITC) and the U.S Department of Commerce. The result of this on-going trade war has caused an average duty for U.S importers increased by 40%. Therefore, we temporarily shifting our suppliers to companies not affected by these high additional duties and our new inventory from the new suppliers may take up to 6 months.

*****Since we are not importing new J&K products from existing manufacture. Our current J&K brand inventory will be limited, starting on Nov 4th, 2019 all sales are final, no return, no exchange and, no refunds*****

The current warranty policy will still be honored, we will continue to provide the after purchase service as it is needed. Should you have any questions, please do not hesitate to contact your assigned account manager.

Thank you for your business and we are looking forward to a long, prosperous relationship.

Best Regards,
