

WASHINGTON STATE MUZZLELOADERS ASSOCIATION

Youth Grant Application

WSMA has established a fund dedicated to promoting youth oriented muzzle loading shooting and related programs. The monies in the fund are accumulated from the proceeds of the WSMA Fundraising Banquet. The opportunity is now available for clubs and organizations interested in either developing or improving their youth programs to acquire monetary support for those programs from the WSMA.

The form provided below is required to begin the process of obtaining a WSMA Youth Grant. The WSMA Executive Committee will select those programs to share the dedicated funds from grant requests received. Although first priority will be given to member organizations, any program intended to enhance youth participation in muzzleloading will be considered.

Requests should be received on or before December 1st for the following year.

Organization: _____

Contact Name: _____

Address: _____

Telephone Number: _____
