#### 2017 Primary Camp

scheduled for 1st & 2nd graders. If you are looking for a 3-day/2-night Primary camp, please call our office by June 19 so we are aware of your interest. If we receive a large number of requests, it may be possible to hold an August camp.

We welcome campers and families from our community, the Portland area, and around the Northwest - from ANYWHERE! Our trained & screened leadership & staff work hard to create a comfortable, safe, fun and powerful environment for all. We are a Christian-Faith based program, but IT DOESN'T MATTER where you are from or what your background is... we just want you to come and get to know God, experience his Love, and make life-long friends. Spending a week at camp is one of the BEST things you will ever do! In the summer, we offer activities like swimming, floating the Salmon river on an inner tube, playing creative and wacky games in the field, archery, high ropes, zip-line, and so much more! Campers spend some time each day worshipping God in song, as well as in small-group cabin Bible study sessions. Camp Arrah Wanna is a place you are SURE to make life-long friends, learn more about how much God loves you, and have a blast while doing it. Come check us out for yourself!

## Friends & Family Camp | September 1-4
