After the age of three, children begin Sunday School in the classroom next to the nursery on the main floor. We encourage all children to visit our Sunday School classes. We study a variety of topics and have a great time each week in fellowship with one another.

We study a variety of age-appropriate topics based on interests and suggestions of the class members and teachers. This is a high participation class and our discussions are thought-provoking and lively! We encourage each other to work on our personal relationships with Christ through study, prayer, and devotion. All are welcome!!

"Good Sinners" Class

This class meets in the Parlor on the main floor, through the Narthex at the main entrance. This class is for adults of all ages from 22 to 92. Our class revolves around joint study of a Christian Book or Bible Chapter study. While there is a teacher/leader, the class is predominantly conversation from all attendees. We are focused on finding God's Will and Wisdom for how to live out our Christian Lives.

The Upper Room Class

Ty Granger & Bruce Woodfin (teachers)

This class meets each Sunday morning in the large room on the 1st floor at the bottom of the stairs. Lessons involve lively discussion of Scriptural-based topics with an emphasis on modern day application of Biblical truths. The only prerequisite for this class is a desire to know more about God's word and our relation to it. The 24+ members of this class range in age from young adult to middle age. Our goal is to provoke a level of self-questioning that will carry beyond our Sunday morning meetings into our daily lives and positively impact our relationship with God and with other people. We welcome new members and hope you will join us.

House of the Lord. Psalms 122:1*

This class meets in the Social Hall. Our Sunday School Class tries to express our love and concern not only to our class but also to anyone who needs help. We have given memorials, shared food for the sick and bereaved, love gifts to the needy, visits to the hospitals, nursing homes, and to the sick and shut-ins at home, transportation for doctor visits. This class follows a lecture/discussion format. It consists primarily of senior adults. Regardless of your age, we invite you for fun and fellowship.
