

Dear Local Sponsor,

The Miss Jacksonville and Miss River City Scholarship Competition is a production of the Miss Jacksonville Competition, Inc, and is a 501(c)(3) not-for-profit organization that receives no public or government funding. Miss Jacksonville Competition, Inc. relies on contributions from generous members of the community and local business owners. Scholarships provide opportunities to talented and intelligent women right in our Jacksonville community. Donations of in-kind are a tremendous help and are used to support the titleholders. Funds raised go toward scholarships for the titleholder(s) and assist with the overall costs of producing the competition itself.

The Miss Jacksonville and Miss River City Scholarship Competition and their Outstanding Teen Titles are preliminaries to the Miss America and Miss America's Outstanding Teen Competitions. The Miss America Organization is one of the world's largest provider of scholarship assistance for young women. Last year, the Miss America Organization and its state and local organizations made available millions in cash and scholarship assistance. Participating in the Miss America system helps young women pay for college and prepare for a career through hands-on leadership; all while gaining life experience, working on issues of importance to society, enhancing personal and professional skills and developing artistic expression.

Attached is a list of sponsorship opportunities. We graciously accept any other donations not listed, such as prizes for our winners, and any ad hoc donations to our organization. A copy of our exemption letter is available upon request, and a receipt of any donations will be issued for your tax purposes. Payments are accepted by either check or electronically via our PayPal account. Any questions or requests for appearances should be submitted to MissRiverCityJacksonville@gmail.com

We look forward to working with you and making this an amazing event!

Warmest Regards,

Megan O'Kelley

Vice President & Executive Director
Miss Jacksonville Competition, Inc.
