

The Magical World of School Clubs

All classes will meet on Wednesdays from 3:10 to 4:00

Meeting Dates: 9/20, 10/4, 10/11, 10/18, 10/25, 11/1, 11/8, 11/15

Cost: \$40

*If you are interested in sponsoring a child in need, please contact

Alicia Teague at Alicia_teague@gwinnett.k12.ga.us

Attendance: There will be NO refunds for absences or withdrawals from the program.

Standards of Behavior: Students will be asked to follow all school rules. If a student is not able to comply with these rules he/she will be withdrawn from the program. No refunds are given for students asked to leave the program for inappropriate behavior.

Transportation: In signing your child up for a program, you are agreeing to pick up your child **AT 4:00pm**. Students will be withdrawn from the program after the second late pick-up. A letter will go home September 18 that will provide additional information on club dismissal policies and practices.

Registration: Complete online registration at <https://www.mypaymentsplus.com/>

from September 1, 2017 (opens at 8 pm) and **no later than September 10, 2017**

(closes at midnight). Classes are first come first serve so sign up fast! Once a

class is full, it will no longer appear as an option in mypaymentsplus. We cannot take registration forms after the **deadline**. Classes will start Wednesday, September 20, 2017.

Questions: If you have any questions please contact Alicia Teague at Alicia_Teague@gwinnett.k12.ga.us or 678-344-6100.

Lego Club

The Lego club follows the 4C's of the Lego company-Connect, Construct, Contemplate, and Continue. Students will be introduced to a theme through a variety of resources and brainstorm ideas/concepts related to the theme, using new and prior knowledge. They will then use their creative imaginations to create structures related to the themes. There will be a culminating activity for each theme, affording students the opportunity to share and explain their work to others in the group.

Grades: K-2 **class size:** 20 students

Sponsors: Marquel Wesley and Dayna Halloran

Lego Robotics

Students will have a blast building designs out of Legos then watching them move as they program their creations using Lego WeDo software.

Grades: 3-5 **Class size:** 24 students

Sponsors: Jenny Bell

Cooking with Ms. Cooper

Cooking with Ms. Cooper will give students the opportunity to learn about food and good eating habits in a fun and exciting way, while still acquiring skills in math (measurements); Science (mixtures and chemical/physical reactions) and Social

Studies (different cultures).

Grades: K-5

Class size: 30 students

Sponsors: Christine Cooper and Tara Outtarra

Bee-botics

We will be using the Bee-bots (a robot) to improve estimation, sequencing, problem solving, and critical thinking skills. Students will also learn team building skills.

Grades: K-2 **Class size:** 20 students

Sponsors: Ikwo Poindexter and Maima Waritay

Starling Steppers

The Starling Steppers Club is designed to celebrate the art of making music in a special way.

Students will make sounds and rhythms with their hands and feet.

We will create a presentation that will be performed at 2 school events this year. Research "Pine Ridge Step Team" for an example of an elementary step team performance.

Grades: 3-5 **Class size:** 30 students

Sponsors: Dana Coleman and Tiffany Gilford

Fitness

Students in this club will work on a variety of fitness skills. Students will learn the importance of daily physical activity in a fun and exciting format. Students will participate in team and individual sports, so sneakers and water are a must.

Grades: 2-5 **Class size:** 30 students
