“Warm for Winter: 1000 Hats/ Scarves”

Goal is knitting / crocheting 1000 Handmade Hats & Scarves for our homeless neighbors in each community!

Collections at **Pacific Fabric Stores** only in October and **WarmforWinter** will collect through November 15th 2017!

*Each handmade hat & scarf gift could save the life of a homeless individual
Who is now un-housed and is waiting for low income affordable secure housing.*

We are asking commitments from diverse organizations, seniors, youth and or schools with interested knitters/crocheters, fleece sewers willing to contribute to keeping homeless warm while waiting for housing. There are children, women and men ALL in need of housing, waiting in lines every day for assistance. We encourage all of you to deliver your gifts yourselves to shelters if possible; shelter lists are on WfW web page, Truly your gifts will brighten a homeless person's day!

This is a 100% volunteer effort – we are concerned individuals who are working together to end homelessness
