Brian Calverley  
Master 2020

Brethren, Family and Friends,  
Welcome to February. Go 49ers - Superbowl Bound!  
My first month as Worshipful Master was pretty eventful on the second Saturday we had five brothers willing to travel to Texas Lodge for Wr. Robbins first Stated Meeting and oh ya get the traveling gavel back! Walked in the door and was thrilled to see Wr Allan Shattenburg who drove himself from the Masonic Home to San Juan Bautista to attend the meeting. Wr. Shattenburg is doing well and as always it was great to see him. Brother Floro, Morales and I sat with Wr. Allan during breakfast and soaked up all his stories about the history of our Lodge, our building and masonry in and around Soquel and Capitola. After a great breakfast and meeting we thanked our friends and brothers of Texas Lodge wished them well and oh ya took the gavel. Thanks to Wr. Shattenburg and Brother Heimsoth we had seven Confidence Lodge members in attendance. Great job team!  
This February we have a "Leap Day" and on that special day - Feb 29th, Masonic Outreach Services (MOS) is holding an update meeting in Richmond CA a number of our team will be attending. MOS does incredible work and are not only the main conduit to the Masonic Homes they work with many community services to assist our members and families when you may think you need help and don't know what to do. To be eligible for any of the MOS services a direct family connection needs to be in place to a Master Mason who is in good standing for five or more consecutive years of a California Lodge. Ask any of us if you'd like more information and or just call them to see if they can help you or your family 888-466-3642. It's probably the biggest benefit of being an active California Mason, that many of us do not know enough about.  
February is a month for all the sweethearts in our lives please take the time to do something special for the sweethearts in your life.  
Fraternally,  
Brian Calverley

Brethren;

At first when I became a mason, people would ask me, what was masonry, or why I became a mason. I tried to choose my words carefully and explain what I had once heard or read about it. But with time, I got to the conclusion that masonry is an experience rather than a definition. As each of us sees and feels life in a particular way, masonry can be explained in many ways.

To me it is a philosophy of basic tools that helps us build a strong edifice within oneself. It's a path that leads me as an individual to look retrospectively into the depths of the person that I am, for the purpose of building a better version of myself.

At each step on my masonic journey, I learn something new and amazing.

Lastly, besides building that interior temple as masons, we are building a family.

My Brothers,

As your Junior Warden, I have the joyful responsibility of providing healthy refreshment. We are planning a special Sweetheart's Dinner in observance of Saint Valentine's Day and in keeping with our Grand Master's proclamation that February 2020 is Masonic Widows Month. We are planning a special Sweetheart's Dinner on Wed. Feb 12<sup>th</sup> invites are coming to our Lodge Sweethearts along with our friends from Wild Lilly OES.

Our stated meeting meal will be at 6:30pm on Monday Feb 3<sup>rd</sup> so please invite your friends, family, and significant others for this fun family event. RSVP appreciated.

Work on the building repair and remodel is well under way. We have our structural engineering plans and a copy of the proposed floorplan schematic is included in this month's Trestle Board. Please join us at our stated meeting to discuss adoption of the plans before we send them out for multiple bids.

Keep Masonry strong and effective in your life by joining us regularly! We have several upcoming ceremonies and it would be great for our Lodge to have a fully self-sufficient degree team. As John always says, "Many hands make light work!"

Most Fraternally,  
Zeke Floro
