

**"TRAIN UP A CHILD IN THE WAY HE SHOULD GO, AND WHEN HE IS OLD HE WILL NOT DEPART FROM IT." PROVERBS 22:6**

### Director's Note

Warmer weather, brighter colors, recess in our backyard and chirps of birds in our trees bring us a feeling of refreshment here at RCS. We enjoy watching our children grow in areas of academics, physical growth, and in growth with Jesus spiritually. Now it is the Easter season! We have our Easter egg hunts the end of March this year and we reinforce the meaning of a "Christian", someone who loves God and asks God to live in his or her heart forever. If we plant these seeds in our children's hearts at such a young age they will grow knowing that God is a constant part in our changing and often troublesome world. We are so fortunate to be able to tell our children the true meaning of Easter of Jesus love for us and that He died and rose again and is alive forever. We thank our parents for helping us celebrate Easter by sending in treats and plastic eggs for our Egg Hunts and to our room parents for assembling the treat bags and hiding the eggs. The Easter bunny visits us as well!

We had fun trips last month to Tagalongs for imaginary play for the Threes and to the Morris Museum for the Fours and STARS. We thank Master Lim from his Taekwondo Center in Succasunna and his staff for coming one day last month to demonstrate certain martial art moves. WE see how this can benefit even children at a young age!

Our Parent Teacher conferences are the fourth week in April. It's always good to hear about the progress of our growing children.

Have a wonderful Easter! He is risen indeed!

Cindy Stevens and the RCF Staff

## Our April activities are:

Parent Teacher Conferences - April 24 - 28 this is a nice time to meet up with your child's teacher. You should have each received a conference form which lists your scheduled time.

If you are unable to attend at your scheduled day/time we ask that you please send a note to your child's teacher requesting a phone conference including a phone number to be reached. Your child's teacher will make every attempt to call you at your scheduled conference time. Due to the amount of "in person" conferences your child's teacher may be delayed in calling you. We are unable to re-schedule conferences due to the number of conferences planned.

Thank you for your patience and understanding.
