HOA Board Meeting

April 26, 2016

Board members present: Beverly Hymer, Elaine Ostrowski, Elizabeth Sabeh, Robert Woodfork

Meeting called to order 6:35 p.m.

Financial report presented by Junaita Seekins

At previous meeting the matter of replacing the fence alongside Savannah had been revisited. A resident whose back fence would be one affected, presented an estimate to replace the fence with concrete instead of the wooden fence previously mentioned at the special fence meeting. The resident suggested that other residents may be willing to put forth the difference in cost between the wooden fence to be paid by HOA funds. Board member Darryl Grohman had followed up with resident and notified HOA Board that resident had been unsuccessful in collecting the additional cost from other homeowners. The Board decided to go forward with the wooden fence and voted unanimously to approve.
