Dear Local Business Owner:

As we celebrate the end of our Summer Reading Program for this year, we want to Thank You for your support. We couldn't do what we do without the help of our local businesses, and we want you to know:

You've Made a Difference!

The children are learning good character traits from year to year, and one of those is Gratitude. So, they were each given the opportunity to draw a picture, write a note, or sign their name to this card. Please accept this as their personal token of appreciation. We look forward to working with you again next year.

Thanks Again!
