Buckner BBQ

A group went out to the Buckner's Village to have a movie and BBQ night with the kids. It was an amazing evening with them, they were ecstatic to be able to see and hear the "race" cars. Hopefully we can make another trip out soon with an even bigger group! We are collecting children shoes of different sizes until the middle of May, if you would like to donate a pair please feel free to give them to one of our officers at meetings, coffee & cars, or any of our

National Mustang Day Cruise

We will be having a cruise on 4/15 to Lockhart, Tx and be meeting up with other groups throughout the day. We will be going to Lockhart, Tx to have barbecue and have fun! There will be multiple meeting spots in different areas, we will get a list of those as soon as we can. Our group will be meeting at Sertinos Cafe @ 8am and head out from there. More information will be posted to the Facebook page and emailed out as we get closer.

**** The member that signs up the MOST sponsors will have their dinner paid for at the next meeting following the show!**

**

- We are also looking for volunteers to help run the show, please check with one of our officers to see what spots are available. We can't do this without the help of our members!

WHAT IS AN AUTOCROSS?

Autocross is a safe, legal, and inexpensive way for the automotive enthusiast to get involved in motorsports. Autocross offers you the excitement of racing without the danger. A small "road race" type course is set up in a large parking lot using rubber cones to define the course path. Each driver drives through the course, one lap at a time, with each lap timed electronically. The driver's single best lap time is compared to the other driver's best times in his/her class to determine the class winner. Sowela SCCA runs monthly autocross events in Lake Charles with classes open to all sports cars, sedans and trucks from factory stock to fully prepped race cars.

Check out our facebook and website for information on the next event and we hope to see you on the course!
