Day 1: Hope & Healing: The Aftermath of Suicide

January 27, 2017—7:45 a.m. Registration
8:30 a.m.—4:15 p.m. Training (buffet lunch included)
Presented by Frank R. Campbell, PhD, LCSW, CT

A Capacity Building Workshop On Postvention Services

- This full-day workshop provides attendees new insight into the reality of how sudden and traumatic loss can and does impact all communities.
- The workshop provides videos and slides showing the risk for mental health concerns following exposure to sudden and traumatic loss in children, adolescents, first responders, and adults of all ages.
- This day stresses the importance of immediate response and lays the foundation for developing that community-specific response.

Workshop will be held at:

Tallahassee Community College Student Union Ballroom
(Bldg. #35), 444 Appleyard Drive, Tallahassee, FL 32304

Day 2: LOSS Team Training

January 28, 2017—8:00 a.m. Registration
8:30 a.m.—4:30 p.m. Training (box lunch included)
Presented by Frank R. Campbell, PhD, LCSW, CT

Building a Community Postvention Team

- LOSS Team is a group of volunteer mental health professionals and survivors of suicide loss who respond to a scene where a sudden and traumatic loss has just occurred.
- This training provides attendees with a foundation to build a community based approach to Active Postvention.
- The day focuses on crime scene etiquette, crisis theory, active listening techniques, and small group activities demonstrating active postvention.
- Attendees dialogue on next steps for building a community wide survivor support and referral network in Tallahassee and Leon County.

Workshop will be held at:

Tallahassee Community College Student Union Ballroom
(Bldg. #35), 444 Appleyard Drive, Tallahassee, FL 32304

Early Bird Registration Fee through November 30
