

Curled Paper Flower Cards

Materials Included:

- 2 blank cards
- 1 green crayon
- Various colored paper strips (at least 6)
- Foam circle

Things You Need From Home

- Glue

Instructions

1. Using the green crayon, draw stems to 2 or 3 flowers on each card. Decorate the stems with leaves!
2. Glue the foam circle to the top of your stem. It will be the center of your flower.
3. Roll your strips of paper around a thick stick or a pencil so they are all curled up. Remove them from the stick. (It's okay if they uncurl a little)
4. Glue the curled paper petals around the foam center.
5. Once the card is dry, write a note to someone special and give them your card!
