Join Pediatric Cancer Action Network and the NE District Optimists at the Nebraska State Capitol at 6:30pm for an informal "gold walk" and speaking engagement to support children and families who battle pediatric cancer and to honor those making a difference in the state of Nebraska.

Wear gold or any gear that supports and represents a child or family that you support.

Guest speakers include Senator Danielle Conrad, Pediatric Oncologist Dr. Don Coulter and Husker Assistant Men's Basketball Coach Chris Harriman.

Join us afterward at 210 N. 14th st., Jersey Mike's Subs located near convenient downtown parking.
