* Percent Daily Values are based on a 2,000-calorie diet.
** Daily Value is not established.

BENEFITS:

- Digestive enzymes, including protease (protein), amylase (starch) and lipase (fats)
- Lactobacillus sporogenes probiotic, helps reduce "good" bacteria harmed by toxins

SAME GREAT PRODUCT WITH ADVANCED PACKAGING

Isotonix Digestive Enzymes Formula with Probiotics helps keep your digestive health on track. Its unique blend of digestive enzymes and probiotics makes supporting your digestive health simple and convenient.

Digestive enzymes help your body break down food to utilize the complete spectrum of nutrients in the food you eat, while probiotics promote a healthy intestinal tract environment. This dietary supplement is designed to promote digestion and optimal absorption of nutrients.*

Directions for use: Pour ½ of packet contents into a cup. Add 2 fl. oz./60 mL of water to the cup and stir. Maximum absorption occurs when taken with or immediately following a meal. Additional servings may be taken if necessary.
