

was held on the last Monday of the month because Halloween fell on a Tuesday Michael did not want schedule conflicts with the holiday activities planned for Tuesday thus the exception was made.

- Water fountain- some residents are requesting that the fountain be turned off during meals because hearing aide wearing residents has a hard time hearing conversations during meal time. Some residents love it on during meals. Michael shared that the fountain will be demolished and rebuilt. Fountain timer currently starts up at 8am and shuts off at 9pm.
- Eco lab- Put request for room pest control into book at front desk by Thursday. If your name is on book he will come and see you. Apparently eco lab services each apartment once a year and is on site on a weekly basis. The Boofu toad looks like a frog but spits venom. Be mindful of your animals when walking them before the sun comes up. That is the time when the boofu toad is most present. Resident suggested that this should be reported to Eco lab Vern, our local rep.

Chef and Kitchen Related Points

- (Halloween) Dessert bar for dining rooms; sweets available for everyone.
- (Thanksgiving) Expecting 600+ Buffet style luncheons (4 buffets in all). Bring your friends and families
