

*What Joy comes on Christmas morn, the
gifts are all around,
But in far more simple things the true
joy can be found.*

*For joy cannot be found in gifts, though
we stack them deep and wide,*

*True joy is found in Jesus Christ, and
loved ones by our side.*

*May your home be filled with love,
joy, and peace, and may your
family be blessed in all the most
important ways on Christmas day
and in the coming New Year!*
