*Mission: to ensure the safety of residents—to preserve the integrity of the neighborhood—to increase the value of homeowner property*

We have set the date for the next  
Neighborhood Garage Sale!

It will be on

### Update on Creekside/Coronado Hills Intersection

Back in mid-July, officials from the City Transportation Department came to our neighborhood in response to the letter we had written to them about the intersection. The meeting went well. In the near-term they stated that they would probably be able to make the turns less sharp to help traffic flow. They also agreed to investigate a long-term design for the intersection that is more attractive and convenient than the current “turtle bump” installation while still meeting pedestrian safety needs. The Association Board is in direct contact with the department and expects to hear about the near-term improvements very soon.

### Bike Austin

Bike Austin made a presentation at April meeting to discuss their advocacy for bicycle and pedestrian safety improvements for Cameron Road and Rundberg Lane. At our May meeting we had planned to vote on whether our neighborhood association would officially lend its support to Bike Austin's initiative. The vote was canceled, however, because the Board misinterpreted a prohibition on endorsing political candidates in the Association Bylaws (which are posted on our website!). This was a mistake on our part, and the Board extends its apologies to all neighborhood residents for lacking a thorough knowledge of the bylaws. At our upcoming meeting we will hold a brief discussion of the matter and vote on the initiative. More information on Bike Austin's efforts are available at [www.BikeAustin.org/RundbergCameron](http://www.BikeAustin.org/RundbergCameron).

## AISD School Buses in Neighborhood

There are four AISD school buses servicing children within our neighborhood this school year. This means that the buses will be traveling within our neighborhood perimeter. Please observe the bus stop warning lights as children are being dropped off or picked up.

Per the agreement between AISD and CHCNA, no buses should be returning to the Nelson Field terminal via the Coronado Hills-Berkman Drive intersection. Any violations observed should be reported to Bonnie Turek by email. (blrurek@sbcglobal.com) She is our contact with AISD. The email should include bus #, time and date.
