

Puttin for Down Syndrome

10th Annual Charity Golf Tournament and Silent Auction

Proceeds benefit St Louis Children's Hospital Down Syndrome Center, DADS
Outreach Fund &
The Down Syndrome Association of Greater St. Louis

Dear Friend,

We are writing to ask for your support for the 10th annual Puttin for Down Syndrome charity golf tournament and silent auction to be held on Friday, September 26th, 2014 at Stonewolf Golf Club. Proceeds from this year's event will provide support for the St. Louis Children's Hospital Down Syndrome Center, DADS Outreach Fund and the Down Syndrome Association of Greater St. Louis (DSAGSL). Last year we were able to raise over \$10,000 for the local Down syndrome community.

What is Down Syndrome? Down syndrome is a congenital condition caused by an extra chromosome. The presence of an extra number 21 chromosome causes the distinctive facial features, physical characteristics and the cognitive impairments seen in people with Down syndrome. While people with Down syndrome have some characteristics in common, it is very important to remember that each person with Down syndrome is an individual with strengths and weaknesses. Never make assumptions about a person's abilities based on their diagnosis.

To make this event a success, we are in need of attendees, sponsors, as well as items for the silent auction.

If you would like to send a representative team to play in the event, we would love to have you join us. The golf tournament will be a four-man scramble with a shotgun start, beginning at 12 p.m. Following golf, we will have dinner, prizes, and award the silent auction winners. The cost per player is \$100.

If you would like to be a sponsor of this year's event you can choose from several levels of sponsorship described on the attached form. Anything you can donate will be a great help. A copy of our 501(c)(3) status letter is available upon request.

I can be reached at either 314-713-2475. My e-mail is dpsutter@aol.com. I thank you in advance for your support, and I look forward to hearing from you.

Sincerely,

Daniel P. Sutter
