Good day to all my brothers and sister. My name is Lynn Fields, I will be your Chairperson for Buddy Poppy and National Home for Children program. Thank you, Department President Linda for this appointment. I will be giving you information on both programs from our National Ambassador. This past year has gone by fast and furious with a lot of confusing events happening. I am hoping everyone is staying safe and healthy.

I will try to make this short and sweet.

Another State Convention is in the books. Unfortunately, I was not able to attend due to some medical challenges I was faced with. I know that with the information that I will be given, I will share it with all of you and you will have a great program.

There will be a Buddy Poppy Contest again at Mid-Winter's Convention..... details to follow. So, start putting on your thinking caps and get creative. We had a good showing of entries at Mid-Winter and a lot of hard work, colorful and ingenuity was produced. I was very impressed. Hopefully we will add more entries to this year's Contest. We need to get some fresh faces involved, so make it fun and get your auxiliary members excited and involved.

If anyone has any comments or questions feel free to contact me. Stay safe and healthy.
