Peace of mind for you and for your family, when it's needed most.

Funeral and burial costs combined can cost as much as \$10,000.¹

Regardless of the type of funeral one thing is certain, when a family member dies, the survivors suddenly find themselves confronted with major expenses. Besides needing money for funeral and burial costs, you may need money for:

- outstanding medical expenses not covered by insurance or government programs; or
- legal expenses related to estate settlement

The following chart shows typical costs (*which can vary depending on where you live*):

Many families have gone into heavy debt to make these payments. But there's a simple way to help your family avoid these problems — **Silver Guard**[®] life insurance from The Baltimore Life Insurance Company.

Silver Guard® Senior Life Insurance

Silver Guard® I

Guaranteed Level Death Benefit

From the date of issue, *your death benefit remains level and can never decrease* providing there are no outstanding policy loans.

Additional Benefits

- **\$1,000 Cash Draft Benefit**

Up to \$1,000 of the policy's death benefit can be made immediately available after the insured's death. The cash draft form is automatically included when your policy is issued. Its purpose is to provide your beneficiary with income to cover necessities until the claim is settled. After the attending physician certifies the cash draft form, it can be taken to a local bank. The bank will call Baltimore Life for verification, and if the policy is still in force, we will authorize payment of the draft.

This benefit is available from Baltimore Life free of charge and does not affect the premium. The death benefit will be reduced by the \$1,000 cash draft amount. Policy must be in force for two years before this benefit is available.

- **Accidental Death Benefit Rider**

By adding this rider, if death is caused by an accident, the policy pays a death benefit plus an additional amount equal to the face amount of your policy when it was issued.

This benefit is only available on Silver Guard® I Life Pay. This rider is not available in all states.

- **Premium Pay Options to Suit Your Needs, Guaranteed**

Silver Guard can be issued with a premium schedule for the life of the policy (**Life Pay**) or on a limited payment basis with premiums payable for 10 years (**10 Pay**). For 10 Pay plans, at the end of the premium paying period, the policy is guaranteed paid up for life, no matter what happens to interest rates.
