Engraved Phenolic & Promark Tags and Plates

Engraved Phenolic Plates

- Low Glare Finish
- Resistant To Chemicals And Solvents
- Non Flammable, Fire Retardant
- Phenolic Is Electrically Non-Conductive And Abrasion Resistant.
- Adhesive Backing Is In Leed Compliance With SCAQMD Rule #1168 & GS-36 Pertaining To VOC Levels.
- Conforms To Military Specifications LP 387A Type N.P.D., LP 509.

Phenolic material is a rigid thermoset material which is electrically non-conductive. The nameplates featured here are 1/16" thick phenolic with adhesive backing or mounting holes, beveled edges, and one side engraving.

Promark™ Tags & Plates

- 9 Standard Sizes
- Standard Text Colors: White or Black
- Plates can be provided with adhesive backing (film or foam) or mounting holes (3/8", 1/4" or 3/16")
- Mounting holes are provided with metal grommets.

Promark™ plates and tags have a printed image sealed between 2 layers of polycarbonate plastic that will resist temperatures of up to 200° F and most chemicals. These extremely durable tags are also UV and abrasion resistant. Outdoor durability 5 - 8 years.

Promark™ plates and tags are produced with the latest digital printing technologies which allows Brimar the ability to easily customize each tag with Logos, Barcodes, sequential numbering, or any other variable information you might need.

Please provide nameplate or valve tag list in either a Microsoft Excel or Word file for accuracy.

Brimar will be happy to size your nameplate. To size a nameplate we need to know character size and a list showing what is to be engraved.

Call for pricing on custom sizes, custom colors and larger quantities.

Price for namplates is based on no more than 20 characters.
Many other options are available please call for pricing.
Call for pricing on 1/8" thick material.

To Order Engraved Phenolic Nameplates: Specify Part Number, Background Color, Letter Color, Mounting Method (Adhesive, Screw Holes or Both), Number of Lines To Be Engraved, Letter Size, And Wording To Be Engraved. If No Mounting Method Is Specified, Adhesive Will Be Provided.
