MARCH-APRIL 1986

### PRESIDENT'S LETTER

With the arrival of Spring comes the final round of play for the 1985-86 Fall/Winter dart season of the D.D.A.

With the inception of the 27/39 point system this year it has been surprising to find many divisional point races so close at the end of each round. In some cases a championship hinged on a single point.

As of this writing there has been only one complaint of the new scoring system, so I believe it is here to stay for the immediate future.

The divisional play-offs will be played in our sponsors' pubs/taverns as this seems to be consistent with our atmosphere of league play. To hold our play-offs in a hall does not tend to exhibit the atmosphere under which the finalists of each division played to gain such position. As in the past, no team will have "home field" advantage in that play-offs will be scheduled in neutral locations unless both teams involved were sponsored by the same pub/tavern this year.

The annual banquet is scheduled for Saturday, June 7, at Greenmont Recreation Hall. As was the Summer League last year, there is no fee for D.D.A. members or sponsors. As more details become available they will be mailed to our sponsors to be posted with the weekly standings.

The banquet was moved into June due to league play being completed May 8. This will allow us every possible effort to have this year's awards available for presentation being as our suppliers require 30 days to deliver our order.

Also, as in past years, the election of officers for the D.D.A. Board of Directors will take place at the banquet. This year the

positions of Vice-President and three Trustee seats are open for election. Each of these have a term of two years.

Mail a request to the league before May 30 if you wish to have your name on this year's ballot. Floor nominations will be accepted just prior to voting.

Division singles and doubles competition will take place during May this year. Wednesday divisions' singles will be played Wednesday, May 21, and doubles on Wednesday, May 28. Thursday divisions' singles will be Thursday, May 22, with doubles competition on Thursday, May 29.

A round robin format, in brackets where necessary, will be used. Sign-ups will take place on each night of play at each division's location. Once again, no fees will be collected for these events.

Applications for the Summer League will be available April 15 and due May 15 with play beginning approximately the first week of June. Watch for bulletins in your pub/tavern for further information.

A word of personal note: During my term as Vice-President and at the beginning of my term as President, I felt one of the most important things in my life was darts. Being this the case, I chose to become involved in the daily operations of the D.D.A. because I had been a member of this association since 1975 and had never offered my help. I was not hesitant to steal precious moments of my personal life to devote to this endeavor and at times was critical of others not willing to do so. Towards the end of the Summer League the pangs of burn-out appeared. Matters became worse as the new season wore on as several calamities and changes occurred in my personal and professional life.

Presidents letter cont'd  
 It soon was impossible to spend those sleepless nights on D.D.A. business as my energy was put towards reorganizing my personal life. It was brought to my attention that maybe the realization that there were more important things at different periods of time than darts was also taking place. I am taking the time to explain this as the changes incurred took away from the time given to you as members of the D.D.A. I want to thank those whose support was gratefully received and extend whatever apology is needed to those where needed. The season ran relatively smooth compared to other years, and I hope you will not let this discourage your future play with the D.D.A. as every effort is being made to put the D.D.A. back on track where it belongs.

Thank you,  
 Dennis R. Kaws  
 President

## MEET CLANCY'S CORKERS!

Well, it makes a lot of sense . . . if you want to read your article in the newsletter, first you have to write it yourself and then mail it in! That's all there is to it. Wouldn't the newsletter be more interesting to read if it had something in it that directly pertains to you? I think so, so that's why I'm writing this article on Clancy's Corkers.

I have purposely waited until now to introduce our team because we had to get to know each other first. You can see from the standings that we are at the bottom of the bottom, but I'm not writing to brag about how good we are. There are six darters on our team, and I would like to introduce them to the D.D.A. now, because with a little more experience, I will need all my time to brag on us!!

Brenda Wilmoth is the team captain. She is the one that does all the groundwork for the team. She is responsible for finding a sponsor, calling in the scores, etc. Brenda is a technical writer for O'Neil & Associates.

Mike and Sue Considine are our husband and wife pair on the team. They were recruited after the opening of the first quarter when two of the original team members decided they weren't really that interested in darts. It worked out well because we now have two very dedicated players. Mike is a partner with his brother. Together they own and operate Considine & Considine, computer systems analysts and designers. Sue is the manager of Heritage Knolls apartments. Not only are Mike and Sue very dedicated to their careers, but are also very devoted to their dart playing.

Tamra Thomas (A.K.A. the author) is the office manager for ATEC Associates, Inc., a civil engineering corporation. She seems to be the recruiting force behind the dart team. Tamra and Brenda were the original members for Clancy's Corkers. They have grown from 2 to 6--Tamra's watchful eye is always on the prowl for potential darters. The most recent

recruitment just occurred some three weeks ago with the newest member.

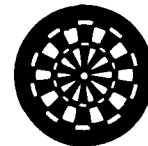

Steve Linder is that new member--and boy, can he shoot!! He has become the team anchor, and he may be our saving grace. Steve works for Rapid Courier Service. He is married to a very supportive wife, Andi, and they have a son, Derrick.

Last but not least, we may have a hidden talent on the team. Anne Liptak was originally a substitute and seldom got a chance to compete. Recently though, Anne spoke up and announced that she wanted to get more involved in the team. In the last few weeks, she has really surprised the rest of us. For an example, playing cricket and being down on points, Anne starts pounding the 16. Hitting 5 and 6 in a round, her doubles team came from behind and took the game.

Special attention should be given to Jennie Dennis. She joined the team in the first quarter and due to a career advancement, she moved to Louisville, KY. Not only is Jennie a talented darter, but she added a lot of pep in the morale department of our team. We all miss her very much!.

There you have the whole story. We are looking forward to a fresh, untainted start in the summer league. So beware:

"Clancy's Corkers--the ones to watch!"

Cranks fail to turnover

Several times a year the question of division placement is brought to my attention. As I have stated many times who really knows if a team in a higher division is better than your team. The only way to determine this is to issue a challenge to a team in an other division and see who wins.

Our team, the ever popular SHROYER INN CRANKS of the GOLD division, was indeed issued a challenge from the lowly SILVER division CACTUS JOHN'S ALLSTARS (?). After some bickering over what we were to be given for lessons to these fledglings it was agreed to play for the high stakes of a case of brew and a bottle of the winning team's favorite mixer.

It was agreed to play at the ALLSTARS lair, none other than Cactus Johns Saloon. Gary Lykins, Greg Nicoll, Rick Hiller, and myself Dennis Haws, decended on the Saloon to face Cactus John Hodges, Ted Koogler, Ralph Young and Chuck Hunter.

After winning the team game and splitting the cricket doubles by 3-0 each game, the Cranks suffered a damaging set back by being defeated in both 301 games by the score of 2-1. After relubricating our arms with a Bud or two, we proceeded into the singles 501 with a lead over the All Stars with the score 8-7. Four brilliant games of 501 were played by the Cranks but they were to no avail as Cactus John's proceeded to split the singles and help themselves to 7 points to 5 for a miraculous win by the score of 14-13.

A lot of fun was had by both teams and a lot of serious darts were thrown. Why not issue a challenge and take the chance of proving at least to yourselves that you can throw with the teams in a upper division.

P.S. It's my understanding there was a national shortage of Schnapps when John, Ralph and myself called it a night and a rematch issued.

## LETTERS TO THE EDITOR

Dear Editor,

A friend and I have a bet, we need you to settle it.

In the last newsletter there was a story about getting on late nite with D.L. in NY if only I could read and write. Was that a repeat of an earlier broadcast ?

Yes...but that was because the boys that won the trip to the San Diego dart tournament, thru HANK'S Tuesday Lucky 16, hadn't informed us on how they faired and we needed the filler.

Dear D.D.A.,

Why is there always a story about the PENETRATORS in the newsletter?. Are they the best team in Dayton? How can I meet them? They are all so cute and so big.

Sincerely,  
Mandy in Red

Yes Mandy, the PENETRATORS are cute and big, and yes the PENETRATORS are the best team in Dayton, but no Mandy, the PENETRATORS do not always have a story about them in the newsletter.

It just seems that the "masters of insertion" are always mentioned, because thier captain always sends in an article before the deadline.

Your team could be as famous as the PENETRATORS if you could direct your lustful animal energy away from meeting them to beating them.

Or you can just write something and send it to:
