Subject: RE: MGM Bill 2011

To: Murugan Pandian

Dear Mr. Pandian:

Thank you very much for writing to let me know of your support for prohibiting circumcision of infants. I apologize for the delay in my response.

I do not support a ban on circumcision. There is no medical rationale for such a prohibition.

Although I disagree with you, I appreciate your consideration in writing to me.

Very truly yours,
Richard N. Gottfried
Chair
Assembly Committee on Health
