

# TERRY BOWN, FAIA

Terrance Brown, FAIA, is a Fellow of the American Institute of Architects (AIA) and is a former Chancellor of the AIA College of Drawer's. He developed his drawing and painting style as a student of architecture at Texas Tech University and continues to illustrate and record his travels around the globe. His drawings are published in numerous books and magazines and illustrate his soon to be published book titled *Sketchbook on the World-Pen Ink Travel Sketches* by Sunstone Press.
