2016

Let's all get this New Year going on the right track...are you ready ? So come on in and listen, clap, tap them feet and applaud like crazy for those that entertain us weekly !!

What's Going On...

Did you know we are working on the front of the building ? We are in the process of getting the materials together (not really we more like Glenn Givens) once we get the materials together and Glenn gets an extra 10 minutes we are going to be dressing things up at the front.

Also, just want to remind everyone about looking for the older pictures for May Reunion...we want to make it a GREAT event and we will with your help. We are working on a memory book old and new ! We will be taking pictures so SMILE !!!

Birthdays, we are trying to update everyone's birthday so we can list it here on our newsletter. Please check to see if you are on the month of your birthday and the date is correct. Let us know yours, just the month and date we will not list the year we promise !!

Do you have any suggestions of what you would like to see in the newsletter ? Tell us what you are thinking !

IF YOU HAVE ANY INFORMATION ON ANYONE PLEASE LET US KNOW

Do You Know ?

Bettie and Will Davis - The two seats on the back row...EVERYBODY knows who is supposed to be there !!! These two are just so kind, Mrs. Davis is always there to help out with any project or fundraisers we have going. Her scarf's, her ANGEL FOOD cakes and so much more. Mr. Davis always so quiet and friendly, they are right there in the parking lot around 4:30 every Saturday night they are a staple of MCMA and so very loved by everyone.

Mr. Davis is retired from GMO railroad, Mrs. Davis will tell you about their children, grand children and great grandkids. It doesn't take long after talking with them that you are sure to know about their love of Mardi Gras and Mrs. Davis always has a story or two about when she was a child or when she and Mr. Davis were first married. She has a wonderful memory and loves to share it with us all...we LOVE her stories. We have noticed and it doesn't take long to realize Mr. Davis LOVES ice cream, we want you to take a minute or two and if you haven't speak to these two and get to know them. A true asset to our organization, quiet and kind, just watch any Saturday night as Mrs. Davis watches out for her friends (Betty Pugh) ride, standing in the cold/rain/heat, she simply says she is taking care of her sister. You can't help but love them.

Our Monthly Quote

There are some people who always seem angry and continuously look for conflict. Walk away – the battle they are fighting isn't with you, it is with themselves.

Harold Stephens

We have been asked to try to find anyone who may have old videos of Sammie Lane (Tony Lane's late wife) back when she came and sang at MCMA years and years ago. Since she has passed away in December they have emailed us inquiring. If you have any or know of anyone who might please let us know..thank you
