## PFSC VOLUNTEER POLICY

Whenever you bring a child to the sport there comes a responsibility to help support the sport by giving of your time and talents. We know that it is difficult to balance busy schedules and still find time to volunteer. However, the Pittsfield Figure Skating Club, like most non-profit organizations, depends heavily on volunteers and without the help and support of its members the Pittsfield Figure Skating Club cannot function.

Members are encouraged to help as much as possible and we know that many families continuously give. A club with active volunteers not only helps spread the workload, but it also makes events successful and FUN for our skaters! We thank you in advance for your time, talents and efforts.

Volunteers are needed in the following areas: ***Rink Monitoring, Basic Skills Competition, Test Session, Fundraising, Show, Membership, and Marketing.*** Please consider serving on a committee – we are in need of committee members for Marketing, Basic Skills, Test, Competition, Show and Hospitality, and Fundraising.

Please remember to check the bulletin boards at the rink or the website for volunteer opportunities. It is your responsibility to seek opportunities. The club asks for each family to give at least five hours (hours) of support or equivalent talent to be successful.

Get involved and be supportive to help sustain Pittsfield Figure Skating Club.

## Rink Monitor Availability

Rink monitors duties include taking attendance on sessions and playing skater's music while they are either practicing or in lesson.

Please indicate the days and times that you are available to volunteer as a rink monitor. I would ask that you list all sessions that you could do in priority order. There will also be a sign up sheet available at the rink with open times where rink monitors are needed.

Please remember that this club is run entirely by volunteer parents. We all need to work together to complete the tasks of operating the club.

Rink monitoring is a simple way to become involved and does not require activities beyond the time that your skater is at the rink.

Rink monitoring is a good way to fulfill your volunteer time requirements for the season. A rink monitor attendance sheet will be available at each session to receive credit. Please remember to PRINT your name on the attendance sheet so that proper credit can be given.

We will be available to orient new rink monitors, so do not worry if you do not have prior knowledge of this duty. We are looking forward to working with you all and enhancing the ease with which our sessions take place.

If you have any questions about being a rink monitor, please contact either

Kelly Lyman at (413) 441-2006 or [kacurran1@yahoo.com](mailto:kacurran1@yahoo.com)
