kal - lis i - si - en. Ei en.

Additional Lyrics

2. Sun kukoistukses kuorestaan
kerrankin puhkeaa;
viel' lempemme saa nousemaan
sun toivos, riemus loistossaan,
ja kerran laulus, synnyinmaa,
korkeemman kaiun saa.
Viel' lempemme saa nousemaan
sun toivos, riemus loistossaan,
ja kerran laulus, synnyinmaa,
korkeemman kaiun saa.

English Translation

1. Our land, our land, our native land,
Oh, let her name ring clear!
No peaks against the heavens that stand,
No gentle dales or foaming strand
Are loved as we our home revere,
The earth our sires held dear.
No peaks against the heavens that stand,
No gentle dales or foaming strand
Are loved as we our home revere,
The earth our sires held dear.
2. The flowers in their buds that grope
Shall burst their sheaths with spring.
So from our love to bloom shall ope
Thy gleam, thy glow, thy joy, thy hope,
And higher yet some day shall ring
The patriot-song we sing.
So from our love to bloom shall ope
Thy gleam, thy glow, thy joy, thy hope,
And higher yet some day shall ring
The patriot-song we sing.
