

# Player Fees 2023

Player fees for the Nevada Griffon 2023 Season have been set at \$750. All players are expected to pay this fee by the start of the season.

Fees may be paid in person upon arrival in Nevada, either in cash or by check made out to “Nevada Baseball Club.” Fees may also be paid via PayPal, beginning on April 1, 2023. The PayPal link will be added to the Parent Information page on that date.

As specified in the player agreement, each player that remains with the team until the conclusion of the season and returns all team uniform gear (pants, jerseys, belts) will be eligible for a \$200 refund on their fees. The Nevada Griffons board treasurer will mail checks to those players as soon as the head coach confirms that all equipment has been returned.
