

Eastern Elite VOLLEYBALL

Eastern Elite Volleyball is a member of the USA Junior Olympic Volleyball Program and is a not for profit organization. Eastern Elite aspires for our players to continually improve their individual skills, learn to compete as a team, AND enjoy the game.

Our teams participate in both state and national competitions providing them an opportunity to step outside of their local area and test their skills and talent against not only the best players in the state, but some of the best in the country.

Participating in Junior Olympic Volleyball provides structure, builds self confidence and social skills, creates lasting and memorable friendships, and helps girls become well-rounded individuals. In addition, Junior Olympic Volleyball provides opportunities for girls to earn college scholarships.

Thank you for supporting an Eastern Elite player. Your donation allows us to continue to offer an affordable USA Junior Olympic Volleyball program to the girls in the Wayne, Wilson, Lenoir, Duplin, Sampson and Johnston county areas.

All Business sponsors will be recognized on the Eastern Elite Volleyball website. Sponsorships will be listed for 1 year.
