No alternate care will be provided for any child that will not attend the trip. _____(initial ____)

20 b. Child Custody/Separation/Divorce/Other Personal Issues

Issues relating to child custody, separation and/or divorce, or other personal issues are between the parties involved and should not involve the School or its personnel. The School does not enforce custody agreements, nor does it facilitate supervised visitation. Teachers and administrators need to be focused on the children at the school rather than the outside personal issues of the families. If the Administration judges that a family's personal situation becomes or threatens to become a problem, this is grounds for immediate termination of enrollment. While we sympathize with families wrestling with these types of issues, the School needs clear "all or nothing" directions regarding who is allowed to pick up children. For

example, “only mom is allowed to pick up” “only dad or dad’s mother are allowed to pick up” or “both parents are allowed to pick up.” If there is a custody arrangement regarding different parents picking up on certain days, and the wrong parent picks up, this is an issue to be taken up with a lawyer or the Court, not with the School. (Initial_____)

A child may not return to Themba after a parent removes the child for visitation purposes.(Initial_____)

21. Publicity and Outside Consultants.

We ask for your permission for your child to be photographed or captured via digital imagery, or videotaped, for publicity, news purposes, Website Page, Social Media, and marketing and educational purposes? _____ Yes, _____ No

22. Liability Release

THEMBA CLC maintains an insurance policy to cover its liability for injuries, losses, and damage that may occur to your child, your child's property, or your property caused by fire, theft, storm, or other causes. Acting on behalf of yourself and your child, you hereby waive and agree to release any claims that you, your child, or your child's heirs and successors may have against THEMBA CLC or any successor corporation, or against any officer, shareholder, employee, or agent of THEMBA CLC, or any successor corporation, for any and all injuries, losses, and damage to your child, your child's personal property, and your personal property to the extent that those injuries, losses, and damage are not covered by the insurance policy maintained by THEMBA CLC, or any successor corporation, or to the extent that the monetary amount of such injuries, losses, or damage exceed any amount payable under such insurance policies. You agree to be responsible for and hold harmless THEMBA CLC, any successor corporation, and any of the officers, shareholders, or directors of THEMBA CLC, or any successor corporation from and against any and all claims, suits, judgments, or costs that may be brought against THEMBA CLC, any successor corporation, its officers, employees, shareholders, or agents of THEMBA CLC, for the actual or alleged acts or omissions of you or your child/children.

Notice of Late PickUp Policy and Fees

We suggest that children be picked up a few minutes prior to the program's end time. Children not picked up by closing time will be brought to the front office to wait for their parent(s). **Be advised, that during such occurrence, the parent will be FULLY responsible for the total assessed late pickup fee.**

Your child anticipates your arrival and becomes worried and anxious if his/her classmates have all been picked up while his/her parents have yet to appear. Additionally, our staff have been on duty for an entire full day; understandably, they are ready to return to their families, and carry out their personal plans for the evening. It is unreasonable to further inconvenience them by prolonging their work day.

Out of respect to our staff and their time, please make arrangements to pick up your child before the close of business. Again, be advised that if you arrive after your child's classroom end time you will be presented with a late pickup bill assessed for the total amount of time for your late arrival (rates below).

Late Fee Per Child: \$15.00 for up to the first 5 minutes

\$1.00 for each additional minute

Late fees owed are payable in cash and at pickup, to the office staff directly. NO EXCEPTIONS.

All late pick-ups are archived and tracked. Parents with three late pickups during the course of one week will incur a **100% fee increase** for any subsequent late pickup occurrence(s). After six incidents of late pick-ups, the child will not be able to attend the Center the next day, and enrollment for the future will be in jeopardy.

If a family has an emergency near the end of the day, such as a car breaking down, an illness, or traffic jams, parents must first inform the Center, and then make alternate plans for pick-up. Late fees will be imposed even under emergency conditions.

NOTE: Refusal to pay assessed late fees or confrontational behavior towards our staff concerning your balance late fee is **strictly prohibited** and will jeopardize your child's enrollment at THEMBA. We appreciate your understanding and commitment to this policy.

Sincerely,

Management

Themba CLC Discipline & Positive Guidance Procedures

Professionals who work with young children expect to be met with challenging behavior from time to time. During the first five years of life, children are just beginning to learn how to handle their own intense emotions and conform to the behavioral expectations of society. As parents know, this is a lengthy process. It is also a central aspect of children's social and emotional development that can be guided using strategies based on research into early brain development.

All staff working at Themba will receive training prior to working with children. The training will continue every two years. If an employee is suspected of violating this discipline policy, the person will be suspended/terminated. Child Protective Services (CPS) and the Office of Childcare will independently investigate the allegations.

In early care and education setting, we define challenging behavior as any behavior that:

- interferes with children's learning, development, and success at play;
- is harmful to the child, other children, or adults;
- puts a child at high risk for later social problems or school failure.

The behavior can be direct (e.g. hitting, pushing, biting, kicking) or indirect (e.g. teasing, ignoring rules or instructions, excluding others, name-calling, destroying objects, having temper tantrums).

Themba's staff sees working with children's challenging behavior as an integral aspect of our job. The root meaning of the word *discipline* is "instruction" or "training." This meaning, rather than punishment, is the foundation for our approach to guiding children's behavior. We accept that young children will sometimes display their emotions or try to achieve their goals in unproductive or immature ways. That is simply part of being very young. Much of children's most valuable learning, especially in a group setting, occurs in the course of behavioral problem-solving. The approaches we use vary by age group, but have the following elements in common:

- **Adults model positive behavior** -- We show that we can accept, control and express feelings in direct and non-aggressive ways. We let children know that we are not afraid of their intense emotions and will not punish, threaten or withdraw from them.
- **Teachers design the physical environment to minimize conflict** -- We provide multiples of toys and materials for groups of children, define classroom and outdoor areas clearly to allow for both active and quiet play, and strive to maintain an appropriately calm level of stimulation.
- **Teachers maintain age-appropriate expectations for children's behavior** -- We attempt to minimize unreasonable waiting and transition times. We limit the length of a large group and teacher-directed activity times according to children's developmental levels. We give children large blocks of uninterrupted time during which to make their own activity choices.
- **Teachers establish simple rules, or expectations, for the classroom community** -- Older preschool children participate in this process early in the school year. When issues arise,

adults and children can reference the “Be safe, Be kind, Be respectful” guidelines as reminders about what kinds of behavior facilitate life in a group setting.

- **Adults closely observe and supervise children's activities and social interactions --** With our high ratios of adults to children and our emphasis on attentive observation, we can often intervene to guide children before situations escalate.
- **Adults help children verbalize their feelings, frustrations, and concerns --** The staff will help children describe problems, generate possible solutions, and think through logical consequences of their actions. Even babies will hear their caregivers describing actions, problems, solutions, and logical consequences. The adult role is to be a helper in positive problem-solving. We want children to value cooperation and teamwork. We help them to learn peaceful, productive approaches to interacting with peers.
- **Children whose behavior endangers others will be supervised away from other children --** This is not the same as the practice of using a "time out" (the traditional chair in the corner) for a child. An adult will help the child move away from a group situation. The child will then process the problem verbally with the staff member and any other concerned parties. An adult will stay close to any child who is emotionally out of control and needs private time to regain composure.
- **Discipline, i.e., guidance, will always be positive, productive, and immediate when behavior is inappropriate --** *No child will be humiliated, shamed, frightened, or subjected to physical punishment or verbal or physical abuse by any staff member working at Themba.* Every Teacher understands and follows our disciplinary approach as well as the standards on guidance and management in our Office of Child Care Licensing Regulations. We work with our families so that they also understand and employ this guidance approach.
- **If an employee suspects a teacher is violating this disciplinary policy.** The employee must notify the center’s director or the Office of Childcare immediately.
- When a pattern of behavior persists that endangers self, others, or property, or significantly disrupts the program, we will work with a child's family to find solutions, up to and including referral for outside services.

Healthy & Nutritious Meals/Snack Policy

Themba Creative Learning Center provides nutritious breakfast/snacks and milk as part of your child's program. In addition, parents may decide to participate in a hot lunch program provided by Smart Lunches Catering Company or bring a healthy lunch from home.

Themba CLC promotes healthy eating habits and a positive attitude about food. Serving healthy food at preschool sets a great example for children and can be simple to prepare. Try to include at least 2 food groups for variety and balanced nutrition. Snacks/ Meals should be low in fat and sugar. Drinks may include milk, water, or 100% fruit juice.

Themba CLC is a nut-free school, please check labels accordingly and DO NOT bring any snacks/meals containing any nut products.

Prohibited Foods

The following potential hazards may not be included in children's lunches sent from home: hotdogs (neither whole nor pieces), nuts, popcorn, raisins, raw peas, corn, raw carrots, hard pretzels of any size, or whole grapes. Meat must be cut in a portion that can be safely swallowed whole. ** Please see birthday celebration Guidelines about prohibited foods**

Also, in order to prevent injuries from breaking glass, please do not send drinks in glass bottles. Juice boxes are easy for the children to handle; "Capri Sun" foil containers are not.

Suggested food items are:

fruits & vegetables with low-fat dips, 100% juice, tortilla chips, and salsa, yogurt, fruit muffins, animal crackers, mozzarella string cheese, multi-grain chips, pretzels, pita bread chips, rice cakes, granola bars/no nuts, bagels, cereal bars, oatmeal meat, dry beans.

Themba will not allow any junk food including birthday cake or fast food to be consumed in the facility. Please serve your child before entering the center any fast food/junk food products. Sodas are not allowed in the center.

Please do not send candy. A child with candy in her lunch will be asked to place it back in her cubby/lunchbox until pick-up time. Teachers ask that on the rare occasion when you bring in food from a fast-food establishment, you take the toy and food out of the bag, and present the food separately on a plate. The bag and the toy can be kept in your care until you pick up your child at the end of the day.

Healthy Foods For Celebrations

Please help us encourage lifelong healthy habits among our children. We encourage parents to join us for their child's birthday or other special occasions.

Typically, foods for celebration includes cupcakes, candy, cookies, and other "treats" that have a large amount of sugar, calories, and fat. There is nothing wrong with an occasional treat, but unhealthy choices have become the norm rather than the exception.

Please submit this form to the classroom teacher one week before your child's birthday party. All parties must start by 3:30 pm and end by 4:30 pm. Themba does not allow balloons since they are a major cause of choking in young children, **home-cooked food, cakes/cupcakes, or unhealthy snacks are also prohibited.**

The following is a list of alternatives our facility will allow for celebrations/special occasions that promote and reinforce good nutrition.

Please check all items you may bring to the party.

Guidelines for Healthy Celebrations

Please help us encourage lifelong healthy habits among our children. We encourage parents to join us for their child's birthday or other special occasions.

Our facility will only allow healthy foods for celebrations. If you feel that you want to provide "treats" for a special celebration here is a list of non-food suggestions:

Stickers	Decorative pencils
Little toys	Party hats/Favors
Erasers	Bubbles
Finger/hand puppets	Whistles
Glow in the dark items	Rubber
stamps Party Favors	Fake Tattoos
Fake teeth	Toothbrushes

Before bringing items to the facility, make sure the items you wish to bring are approved and age-appropriate for the celebrating group.

Depending on the size and the number of children in your child's class, providing treats or gifts to all the children could become costly. Here are a couple of low-cost, easy ideas that will give your child a memorable experience on their special day:

- Decorate your child's classroom. Example: A banner with the child's name and "Happy Birthday." This will make your child feel special during the celebration/special occasion without adding unneeded fat and sugar to the diet.
- Take time to have a meal with your child at the center. This gives your child personal attention.
- Buy or supply a special book to be read during the day. Make it even more special by coming to your child's class to read the story.
- Plan and provide a special craft project for your child's class.
