“It Is Finished” (John 19:30) By Pastor Mike Snyder

In my last article we addressed the words that Jesus cried out just before He died on the cross. His cry was, “It is finished!” And we noted that that He wasn’t referencing the end of his life. He did not say; “I am finished!” Instead, He was marking His finished work on the cross. The task of securing our salvation was fully completed at the Death of Christ.

Of course, we may find ourselves questioning just how *finished* the work was. When a mechanic tells us that our car is “finished,” we may still hear a squeak or feel a rattle. When an author insists that a book is “finished,” it may still need several revisions. When a cabinet maker

brushes a clear “finish” over a Lazy Susan, we recognize that it may eventually need re-finishing. And when we doubt the finished atoning work of Christ, we sometimes try to finish it for Him. We may allow that He saves us from *most* of our sins, but surely there must be *some* sins that we have to make up for ourselves. We need to be careful with that. The Early Church called it heresy. (And by “the Early Church” I don’t mean the 8:00 service.)

Be assured that we can believe Jesus when He tells us that something is *finished*. The task that Jesus finished is eternally accomplished; forever done!

Chapel Kids Fundraiser May 6th

Chapel Kids will be having a Farmer’s Market fundraiser next Sunday, May 6th following all 3 services. Donations will be accepted. We will have various plant varieties available for you to take home that our kids have helped plant and water

over the past 2 months. Proceeds will go towards new curriculum for our program. “Unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds.” John 12:24

If you love music and want to minister to others, then our group is for you. We meet on Wednesdays at 5:00 p.m. in the choir room. A BIG thank you and appreciation to our members who attend and play each week!

CELEBRATE RECOVERY/CARE GIVERS GROUP

Why should I attend Celebrate Recovery on Monday at 5:00 or Alzheimer's Caregivers Group first Thursday at of each month at 2:00? Did you ever deny that your parents had problems? Did you ever deny that you had problems? To some extent we can all answer yes to the question, I would like to tell you a story about denial.

"The Pink Elephant"

We are sitting in our living room it has a couch 2 end tables with lamps, coffee table and television. In the middle of the living room is a "Pink Elephant" that no one in the family talks about or acknowledges it in any way. They never invite company in because of the elephant or tell anyone about the situation. Do any of the following comments sound familiar to you?

- ♥ "Can't we stop talking about your dad being in the nursing home?"
- ♥ "Talking only makes it worse?"
- ♥ "If I tell her that it hurts when she says that, I'm afraid she will leave me"
- ♥ "I eat because you make me so mad"

God says in Jeremiah 6:14 "You can't heal a wound by saying it not there!" We can start our recovery by being with others to talk about our denial and fears. See you at Celebrate Recovery or Alzheimer's Caregiver's Group. Contact Sandra Heppler at 270-5775667 for more information.

Conference News

DISTRICT CONFERENCE AND FAREWELL RECEPTION FOR MARK GIBBONS

Just a reminder that our District Conference will be Sunday, May 20 at Settle Memorial's Shepherd Center from 3:00 – 4:00 p.m. Everyone is invited, but pastors and lay members are encouraged to attend. Immediately after our District Conference there will be a farewell reception for Rev. Mark Gibbons across the street at Settle's Multipurpose building

You are all invited to attend the farewell reception for our DS, Rev. Mark Gibbons.

The reception will be held on Sunday, May 20 at Settle Memorial's Multipurpose building immediately following our District Conference.

The reception will begin at 4:00 p.m. Mark will be continuing his service as DS in the Bluegrass District. Mark has been the Owensboro District Superintendent for the past 6 years.

So, please stop by and wish him well in his new appointment.

Thank You!

We, the SISS small group would like to thank you for donating to our collection of toiletries for the students at HCHS. With our last collection we were able provide numerous bottles of shampoo, soaps, deodorant, body sprays and feminine products along with countless small containers of shampoos, conditioners and lotions. The toiletries are given to many disadvantaged students through the family resource center at HCHS. Any student can access needed items, even during the summer months. Our group collects items approximately three time a year.

With the importance teenagers place on appearances and fitting in, we hope that being assisted with toiletries will impart needed confidence. And that an attached Bible verse may draw them closer into a relationship with our Lord. A quote from Teresa of Avila states that we, the church, are the hands and feet of Christ. - you all express this through your giving.

We appreciate your generosity.

Thanks so much to my church family for their prayers, cards, calls and food extended to me during my recent knee replacement surgery. Also thanks to Pastor Amy and Pastor Mike for their visits to the hospital. I hope to return to the fold soon.

Yours Sister In Christ, Sue Heppler

CHILDREN'S NEWS

This month in the Elementary Program, the kids will be learning that God wants what is best for us. He has called us His children, and given us great things. Because we know that God is good, WE CAN BE HONEST. Lying and cheating are a response to fear. They are what people do if they think no one else will take care of them. But when you trust in God, when you know His love, you have a different response. You can be truthful. That's why this month we are seeing what the Bible says about HONESTY (Choosing to be truthful in whatever you say and do

Beginning May 13th, all children will enter the classroom of the grade they are entering for the 2018 – 2019 School Year. To help foster new relationships through the summer months, Chapel Hill promotes classes at the end of the school year/beginning of the summer. It is also our hope

that this eases any burdens/anxieties on the child at the beginning of school year in August – so they will not have multiple transitions and hopefully find new friends through church that they can attend school with also. So, let's take time to celebrate with our children on their new journey into a new grade!!!
