

AMANA CHURCH SOCIETY NEWS

Start the school year with fellowship, worship, and pancakes! The Amana Church Society is kicking off the school year for everyone by hosting a breakfast and worship service on August 25 at the Amana Church. Breakfast will be served at 9:00. Registration for Sunday School (child and adult) will take place during the breakfast. Sunday School classes resume on September 1.

The Worship Service will begin at 10:00 with Elder Andrea Haldy presiding. Song sheets will be provided.

Please contact the church office at 622-6155 with any questions.

CONGREGATE MEALS

Join us Mondays for food and conversation at the Fellowship Hall in the Amana Church. Doors open at 11:00 o'clock, we serve at 11:30. Cost is only \$5.00.

For Reservations call Donna Trumpold by noon on Friday.....319-622-3218 or 319-560-6285.

August 26th: Cook's Choice

We are looking for a few hungry and sociable citizens to join us on Mondays for the Congregate (no age minimum) Lunch. We meet socially at the Amana Church around 11 for the 11:30 meal.

The five dollar fee covers a meal of a meat, vegetable, salad, dessert and drink. Most of the participants are individuals with an added couple or two.

We have found interacting in a social setting more rewarding than eating alone. The program's sponsor, the Amana Church Society began the service in 2004 with Anne Freshour as its long time coordinator. The demographics of our community have changed and **if the program cannot meet the ten person minimum it will have to close.**

Simply call Donna T. 622-3218 by Friday and join us. It is more than a luncheon, it's a nice way to stay connected with new and old acquaintances and even catch up on some gossip in our ever changing community.

Donna, George, RC, Isabella, Lillian & others.

FEATHERS IN THE WIND

When my sister and I were small our parents took us on our annual trip to Des Moines and the Iowa State Fair (Early 50's). This time it was going to be special because we were going to visit the Roy Ehle's and their new house.

I sure hope I have not gotten all my facts mixed up, but let me try.

First off was a ranch house, something we just did not have in the Amanas. What a treat, a house on one floor with a separate garage instead of a woodshed- how very modern.

Then there was the kitchen, Averil had a floral arrangement hanging from a kitchen cabinet that had artificial ferns and tiny carrots. All you had to do to clean them it was rinse the arraignment with a hose attachment at the sink. Imagine! A regular sink AND a sprayer

Then came the best part of all! The car!

A VOLKSWAGON no less! We got to sit in the back while dad and Roy sat in the front. OK, it wasn't that comfortable, but one sat low to the ground and you felt like you were going at a really fast speed!

Life was good.

AMANA NEWS AND NOTES

Petition to Change Proposed Wind Turbine Ordinance

A petition is being circulated in Iowa County to add or change language in the currently proposed Iowa County ordinance for wind turbines.

The petition being circulated by residents of Iowa County, some of which are members of the informal group Iowa County Wind Education, reads:

We, the undersigned, respectfully request a wind energy ordinance in Iowa County to protect the public's health, safety, and welfare through the following changes to the draft of Ordinance 32:

1. A minimum setback distance of 1/2 mile from non-participants' property lines to the center of the turbine.
2. A noise limit of 40 dBA at non-participating property lines.
3. A minimum setback distance of 2 miles from the center of the turbine to all incorporated towns' city limits.
4. A minimum setback distance of 1 mile from the center of the turbine to active bald eagle nests and bat habitats.
5. Equal protection of the English and Iowa Rivers of 3 miles from center of turbine to the edge of the river.

According to Abigail Maas, one of the rural residents who is circulating the petition, they plan to present it to the Supervisors on August 23, 2019, at the public hearing regarding the ordinance. Two more hearings will be held August 28, 2019 at 6:30 p.m. and August 30, 2019 at 10:00 a.m. These meetings will be held in the Supervisor's Annex building, the county building located across the street from the Iowa County Courthouse. The public is invited to come and voice their views or ask questions at this time. You may also contact the Iowa County Supervisors via email by going to their website and looking at the contacts list.

To learn more about the issue and see maps of proposed turbine sites, or read a copy of the ordinance, go to the Iowa County, Iowa Supervisors webpage. And go to Iowa County Wind Education Facebook page. Other documents of interest have been posted on the Iowa County Wind Education Facebook page.

A copy of the petition is at Amazing Grace Antiques and Gifts on Amana's main street. An online version of the petition is available at www.tinyurl.com/ord32.
