Answering questions

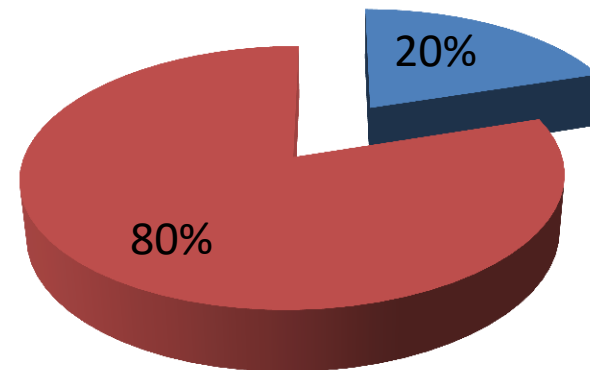

- Ease of asking questions
- Presenter's skill in answering the questions

Feed back from Participants

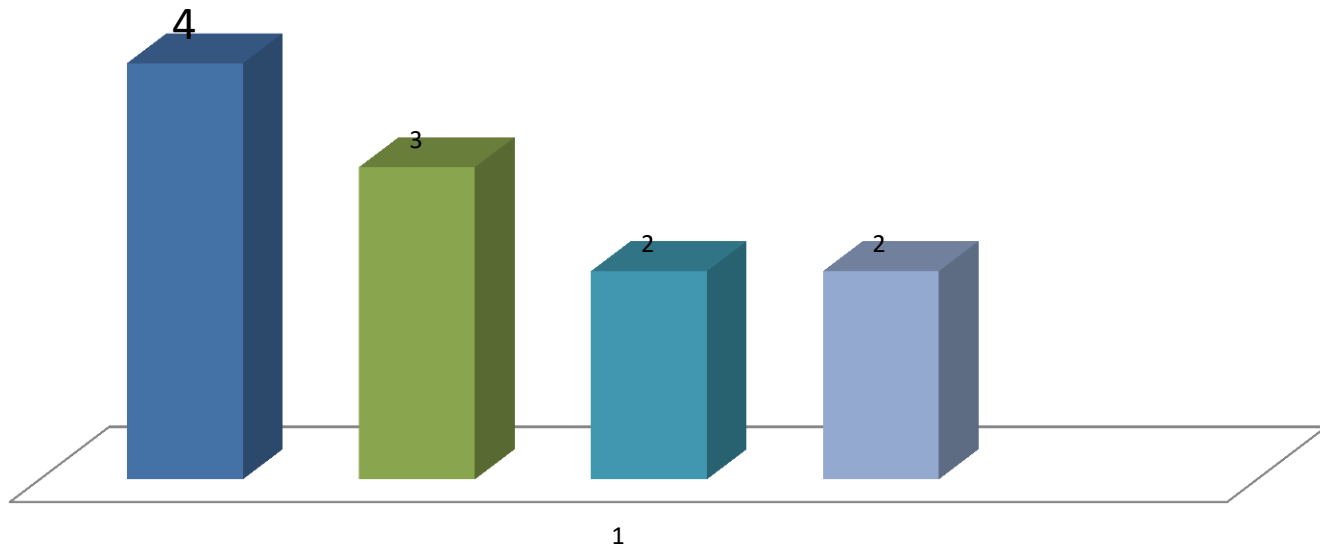

Overall rating of the event

- Excellent
- Very good
- Good

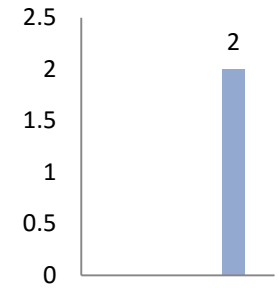

Top 3 things liked

- Clarity on Topic
- Generally good pace
- Well orgained and informative
- Topic, presentation and ambience
- Topic, Literature and reference quoted
- presentation, examples, explanation, content and usefulness
- Presenters knowledge, topics and handouts
- Exchange of information between all parties
- Excellent knowledge (share)

Top 3 things improvement required

- Rather than Quiz give worked example & some takeaway worked example
- Session 1 & 2 should be bit shorter and 3&4 are real sessions
- Prolongation costs needs more time and to be distinctive to EOT and disruption
- Elaboration related to DAT is required
- Report writing to be added
- Vast topic presented in short span of time can be modified
- More UAE case studies
- Audio system was not properly managed
