2014 was a big year for our communities, and TheRide! Following the successful passage of the Public Transportation millage on May 6, we began implementation of our Five-Year Transit Improvement Program in Ann Arbor, Ypsilanti, and Ypsilanti Township; phasing in a 44 percent increase in service. In August, service improvements included later weekday and weekend service, increased service frequency, new trips on existing routes, and a new route (No. 46). A-Ride service for seniors and people with a disability also benefited with improved service.

To meet the demand of the expanded services and replace older buses in our fleet, we will be ordering 27 new buses in 2015. The purchase, which will include 24 low-emission conventional buses and three hybrid-electric buses, will be the first in a series that we will make over the next five years. We will continue to research emerging technologies such as compressed natural gas (CNG), full electric, and newer hybrid technology for future bus purchases, as a reliable fleet is paramount in meeting the needs of our customers—and a key component to a cleaner environment is offering efficient public transportation service.

In October, former AAATA CEO Michael Ford accepted a position as the new CEO of the Regional Transit Authority (RTA) of Southeast Michigan. I was proud to have been asked by the AAATA Board of Directors to fill the role of Interim CEO, and I currently oversee TheRide’s daily operations. I previously served as the Washtenaw County Administrator for 15 years and am glad to assist TheRide during this transition.

We are searching for a permanent CEO replacement with the help of Harris Rand Lusk (HRL), a professional executive search firm that specializes in the public transportation field. In December, HRL held a public input meeting, giving the community an opportunity to provide thoughts on the search process. AAATA Board Chair Charles Griffith is working with HRL and leading the process on behalf of an Executive Search Committee consisting of AAATA Board members and staff. We thank Mr. Ford for his contributions to improve public transit in our communities, and look forward to working with him in his new role as he oversees mass transit in Washtenaw, Wayne, Oakland, and Macomb counties.

Sincerely,
Bob Guenzel
Interim CEO, TheRide
Fiscal Year 2014

Your support of TheRide provides a positive impact for the community as a whole. TheRide enables residents and visitors of our community to reach their destinations at a reasonable cost, and offers the region efficient, environmentally sound transportation alternatives. In this section, you will find a snapshot of the positive impact TheRide has on the community.

**Performance Star**

It is the mission of the Ann Arbor Area Transportation Authority to provide Accessible, Reliable, Environmentally Responsible and Cost-Effective public transportation options for the benefit of the Ann Arbor Area community. It is by these standards that we measure our commitment to you—as we work to improve the ways we connect you with the people, places and events that make living here so unique. Find out more at TheRide.org.

**Benefits Riders & Community**

86% rider satisfaction

**Accessible**

100% fixed-route buses contain accessibility features for people with disabilities

6,657,722 total ridership

**Environmentally Responsible**

100% buses use biodiesel fuel

72% buses are hybrid-electric or low-emission conventional diesel

87% rider satisfaction with personal safety

**Reliable**

100% scheduled local fixed-route trips completed

84% on-time performance

**Rider/Community Satisfaction**

Percentage of riders who are satisfied with:

- Overall service: 86%
- Customer information: 75%
- View TheRide favorably: 79%
- Drivers: 84%
- Bus stops: 75%
- Buses: 80%

Most recent on-board rider survey

**Financials**

Stewardship in fiscal year 2014 made for $556k in savings over projected spending. For full audit, go to TheRideCitizenReport.org.

* - Includes Ann Arbor, Ypsilanti & Ypsilanti Township. The local tax is shown net of 3.85 million designated for future bus purchases.

§ - TheRide contracts with private operators to provide services including AirRide, ARide and others.
TheRide’s Ypsilanti Transit Center currently serves more than 3,000 riders on an average weekday. Working with the City of Ypsilanti, Eastern Michigan University and other community leaders, TheRide will be working to improve the experience at the YTC and will be taking into account: accessibility, rider amenities/comfort, sign/technology improvements, and environmental improvements.

Customer Appreciation

“I have ridden public transportation all over the world, but this morning was the first time I’d ever gotten a goodie bag!! That was such a nice way to start this gloomy morning. Thanks so much!”

Meaghan Fukunaga

The Ann Arbor Area Transportation Authority (TheRide) were joined by business owners in the Ann Arbor-Ypsilanti area along several popular bus routes to kick off a “Customer Appreciation & Celebration” this fall and offered special discounts and other rewards to thank transit passengers and shoppers for their patronage and perseverance during the busy construction season.

Thank you to the local participating businesses:

Commuter Challenge 2014

Every day roughly 60,000 people commute into downtown Ann Arbor. These commuters are a vitally important piece of the economy but also a strain on the transportation, parking and street infrastructure. Through a partnership with the Ann Arbor DDA, the getDowntown program encourages and enables commuters to bike, bus, walk and carpool during Commuter Challenge and other programs throughout the year.

- 300 organizations
- 2,500 participants
- 25,750 commutes logged
- 351,100 miles logged
- 300,500 lbs. of CO₂ avoided
- 4,156,000 calories burned

Family of Services

TheRide
Local fixed-route bus service.
TheRide.org

6,376,611 rides

ExpressRide
Express service to/from various locations.
MyExpressRide.org
